Welcome to the Homelands Stadium

Welcome to the Homelands Stadium for the Kent Sunday Junior Trophy for 2020.

A particularly warm welcome is extended to the players, officials and supporters of Royal Southwark FC and 16A FC. It is great to finally be able to complete the 2019-2020 Kent FA Cup Finals, something which we as an organisation were keen to complete despite the challenging past 14 months. It was important to us that we recognised the achievement of the players and club officials for their effort in reaching a Kent FA Cup final. This is their great day and represents a just reward for their efforts during the 2019-2020 season. We would also like to congratulate today's Match Officials for being honoured with their prestigious County Cup Finals appointment as recognition for their exceptional performances. Finally, we would like to thank Ashford United FC for the use of their excellent facilities today.

The past 12 months have been extremely challenging for everyone involved within grassroots football across Kent, and I am sure that the effects of the pandemic will still be felt in the grassroots game for some time. There will be some significant challenges for football in this county as we transition out of the pandemic and restart grassroots football, but with the vaccination programme and an ease of the lockdown restrictions, we hope that the 2021-2022 season returns to being a more 'normal' one.

As the governing body of football in Kent, the Kent FA aims to establish safe and structured football opportunities for the benefit of all. The Kent FA is committed to creating a culture of continuous improvement and working towards higher standards of service delivery to support football in Kent and ultimately provide a positive football experience to everyone.

People's perception of Kent FA often revolves around rules and regulation, but we actually do more than you think! Our diverse work includes widening football participation levels, raising standards so more people can enjoy football, delivering competitions and running representative football. This is all in addition to our vital work in governing the game in Kent.

On behalf of the Kent FA we would like to wish both teams the best of luck today and most of all, that it is an enjoyable experience for everyone.

Darryl Haden, Chief Executive, Kent FA

“ Congratulations to all involved in today's final. Whatever the result you should take great pride in your achievement in reaching this stage. ”

Congratulations to both teams on reaching today's final of the Kent Sunday Junior Trophy! It's been a difficult and stressful time of late, however I am pleased and proud that we finally get to hold this delayed Cup Final.

The event today is the culmination of hours of practice, determination and fun so regardless of the result, we hope that everyone involved will enjoy the match and have a memorable day out.

I am proud of the work by all at Kent FA which has enabled teams and clubs from Kent to continue to participate in grassroots football and I thank my Kent FA colleagues, volunteers and staff, for their organisation of the competitions throughout the past two seasons and the final today.

Best of luck to both teams competing today.

Denise Richmond, Kent FA Chair

Manager's Notes

Royal Southwark FC

I could not wish to be heading into this Kent Sunday Junior trophy final with a more honest group of players, friends and team beside us. Even if we have had some difficult times, we rose above them. I know we will get a wholehearted performance from the players wearing the royal shirts today. For me and my management team this is our first experience of a final in Grassroots Football, and it has come earlier than we probably would have expected, as this was our first official season and we couldn't be happier.

For us, today's occasion is one for the entire squad of Royal Southwark, not just the 16 who will be fortunate enough to be named on the team sheet this afternoon but for everyone who has followed our journey. Everything we have achieved in this tournament is down to the hard work, determination and respect for the game and players. Whichever team starts the game, they will be going out there to secure the trophy for all of their teammates and I think that is an excellent motivating factor.

This competition has afforded players an opportunity to represent Royal Southwark Football Club and it has given us a chance to see them in the heat of competitive action where results are king. This will be very important for their development, and it is why I want them to feel part of this entire journey to a final; it is important they recognise their value to the team and club.

We were very proud of the team after the semi-final win. We deserved it. We played a very strong match and, yes, you can always win with a bit of luck, you can sometimes escape with a win you don't deserve, but that wasn't the case that afternoon. We were so consistent, so strong – it was a big win for us.

We have a lot of respect for 16a, they've been outstanding this season. They have a strong team; a very strong gaffer and they play as a group as well as producing such consistent performances too.

We would like to give a shout out to our club sponsors, Genius incc & No Slacking for everything you have done for us in the past, everything you still do and will continue to do. We at Royal Southwark Football Club just want you to know how thankful we are, and we look forward to a prosperous future together. Here's to many more wins.

DIPO FADAIRO

Royal Southwark Chairman

On behalf of the whole club I would like to congratulate the boys for reaching a final in our first year as a club. We know the commitment it has taken to get us to the final and I am sure the boys are pumped to cross the finish line. These are the days we have dreamt of when this club was made in 2019. I'd like to give special mention to Bola Evoloko (Asst manager), Kelvin Jarret (Asst manager), David Howell (head of recruitment & sporting Director), Dapo Fadairo (Technical Director), Gazza Jalloh (Director/Coach), Collins Badru (Director/captain), Ahmed Yusuf (formr Club Sec) last and most certainly not least (Co-Chairman/Club Secretary/Club Treasurer) John Law - the glue that binds the royals together. If I might add, without none of these individuals mentioned we would not be where we are today so it is important they have their honourable mention.

Enjoy This Day Lads

“ Hello! Congratulations to all the appointed match officials, who have been selected to officiate in today's County Cup finals. Being selected to officiate on a final-tie is an extremely prestigious appointment, and highlights the hard work, commitment and effort that they have all contributed over the course of the season. With 23 finals this season, we have appointed 92 match officials to final-ties, representing just 5% of all affiliated match officials within Kent. We also extend our appointment process to 23 selected Referee Observers and Mentors who are on-hand today to help encourage and support the development of the appointed match officials. Congratulations to all involved, and enjoy the occasion.

”
