# Welcome to the Gallagher Stadium

Welcome to the Gallagher Stadium for the Kent Sunday Junior Cup and Kent Sunday Premier Cup Finals.

A particularly warm welcome is extended to the players, officials and supporters of Blendon FC, Farnborough OBG Sunday Reserves, Dolphin Kings United and Chatham Town Sundays. It is great to finally be able to complete the 2019-2020 Kent FA Cup Finals, something which we as an organisation were keen to complete despite the challenging past 14 months. It was important to us that we recognised the achievement of the players and club officials for their effort in reaching a Kent FA Cup final. This is their great day and represents a just reward for their efforts during the 2019-2020 season. We would also like to congratulate today's Match Officials for being honoured with their prestigious County Cup Finals appointment as recognition for their exceptional performances. Finally, we would like to thank Maidstone United for the use of their excellent facilities today.

The past 12 months have been extremely challenging for everyone involved within grassroots football across Kent, and I am sure that the effects of the pandemic will still be felt in the grassroots game for some time. There will be some significant challenges for football in this county as we transition out of the pandemic and restart grassroots football, but with the vaccination programme and an ease of the lockdown restrictions, we hope that the 2021-2022 season returns to being a more 'normal' one. As the governing body of football in Kent, the Kent FA aims to establish safe and structured football opportunities for the benefit of all. The Kent FA is committed to creating a culture of continuous improvement and working towards higher standards of service delivery to support football in Kent and ultimately provide a positive football experience to everyone.

People's perception of Kent FA often revolves around rules and regulation, but we actually do more than you think! Our diverse work includes widening football participation levels, raising standards so more people can enjoy football, delivering competitions and running representative football. This is all in addition to our vital work in governing the game in Kent.

On behalf of the Kent FA we would like to wish all teams the best of luck today and most of all, that it is an enjoyable experience for everyone.

**Darryl Haden, Chief Executive, Kent FA**

**“ Congratulations to all involved in today's final. Whatever the result you should take great pride in your achievement in reaching this stage. ”**

Congratulations to all the teams on reaching today's finals! It's been a difficult and stressful time of late, however I am pleased and proud that we finally get to hold these delayed Cup Finals.

The event today is the culmination of hours of practice, determination and fun so regardless of the result, we hope that everyone involved will enjoy the matches and have a memorable day out.

I am proud of the work by all at Kent FA which has enabled teams and clubs from Kent to continue to participate in grassroots football and I thank my Kent FA colleagues, volunteers and staff, for their organisation of the competitions throughout the past two seasons and the final today.

Best of luck to all the teams competing today.

**Denise Richmond, Kent FA Chair**

**Blendon FC**

Started working back with the boys at Blendon after a break from football and I must say it's great to be back. When I took over, our aim was to give ourselves a chance at winning the league. We have done that, so next is the Kent Junior Sunday Cup. Looking forward to the game and wish the boys the best of luck!

**James Corne**

**Manager, Blendon FC**

“

***The way the boys have been playing in recent weeks just shows why they deserve to be in the position they are in. Week in week out every single one of them gives it 100% in training and on the pitch. Hopefully we can go on and get the job done today.***

# Manager's Notes

## Farnborough OBG Sunday Reserves

I, along with my management team of Kevin Lott, Russ Nethercot, Matt Reynolds, and Tommy Botting are privileged to work with this very talented group of players. It is a pleasure to watch the lad's week in - week out. Witnessing this team evolve and grow over the last five seasons into a team that has now won multiple league titles and cups, and who have been repeatedly promoted through the OBDSFL pyramid has been brilliant..... but the journey is not over yet!

At the beginning of the season, we lost several key squad members and had to work hard behind the scenes, despite the restrictions, to bring in new players to aid this transitional period. As the season has developed, I have seen the realisation this is no longer just "Sunday League" football and to continue the progress we have made over our time together, it must be taken more seriously. This marks the final game of what has been a stop and start campaign, but work has already begun on returning for the 21/22 season even stronger and renewed hunger to reach the Senior Division and adding to our trophy haul.

This fixture is significant for us, as a full-strength Blendon side are one of the toughest fixtures for any side across the Southeast of England. Despite our rivalry, we have a lot of respect for Blendon's achievements. They have been outstanding since we came out of lockdown, with only the 2-2 draw against us being their only blotch on an otherwise perfect record. They have a strong team; a new manager and they play as a group. Despite coming out victorious, when we played them in the OBDSFL Jack Standen Final, they were 2-0 up and cruising before we decided to start to play. We know the challenge ahead of us is a difficult one, but one we know we can win!

We have a strong squad to pick from today, which makes our jobs as coach's a hard task. I would like to thank every player that has contributed this season, especially those unable to make the 16 today. The team would also like to thank our committee members, especially Danny Saines, Ian Couchman and Brett Cox for all their support over the season. I would also like to thank all those friends, parents and partners that have regularly been present supporting the team come rain or shine.

Today we will be warming up in t-shirts that have a message of support for our leader, Mike Cole. For those of you that don't know, Mike fought melanoma skin cancer a few years ago in which he was able to have surgery to remove it. However, recently he has been given the devastating news his cancer has returned and spread aggressively throughout his body, and he will now require intensive radiotherapy and chemotherapy in hospital.

We are using the powerful platform of football to raise the awareness of both Mike's plight and, this truly awful illness. Mike will be leading the team out today!

The team would also like to say a massive thank you to our sponsors TW Drainage, SELCO Builders Warehouse, Warrens Roofing and Culverhouse Chartered Accountants.

Finally, Enjoy your moment lads!

**Matt Ellis**

# Meet the Players

## Farnborough OBG Sunday Reserves

**Charlie Merrick** - Goalkeeper: If the most improved trophy was not treated as a joke, he would have won this every year! He has pulled off some incredible saves for us this season! He has an unrivalled desire to win.

**Ray Knight** - Full Back: The Farnborough stalwart has not featured as much this season but an outstanding player who sadly says goodbye after this match. Ray has brought a property in Wales - such a Ray thing to do.

**Craig Ralph** - Full Back: One of the most solid & consistent defenders at Farnborough. Can play anywhere across the back 4. Best looking in our team by a mile but has stupidly gone and got engaged! What a waste!

**Connor Dobson** - Full Back: Dobbo is Mr Dependable - play him anywhere and you get decent performances. It has been brilliant having him at the club, a well-liked member of the team and makes us a better team when he is in it.

**Dave Allen** - Full Back: Following some very impressive displays for our Saturday counterparts, Dave was brought in and has never let us down. An energetic and determined full-back, you won't take on without receiving a big challenge.

**Ross Warburton** - Defender: Rossi - a classy centre back who has been phenomenal for us every time he plays. Brilliant on the ball and reads the game like someone well beyond his years. Despite some injury issues, has returned to the side and been brilliant! Get that Factor 50 on today mate, it's blazing!

**Ashley Bertrand** - Defender: What a signing! Having tried to convince every one of his previous managers that he is a winger, I told him to go in at Centre Back and wow! What a player! Strong, pacey and can pick the right pass, at the right time.

**Mark Banks** - Defender: Easily the loudest lad in the dressing room - his organisation and leadership on Sunday mornings has been so valuable for us. In his first season with the team, having spent the last few seasons with our first team. He has been brilliant when asked to fill in.

**Henry Day** - Defender: Another brilliant addition to the squad! Technically, superb and reads the game very well. He also has leadership and presence beyond his years. We hope Henry will be an important player for us as we try to reach the top division next season.

**Mason Horne** - Midfielder: Has not featured for us since getting injured against today's opponents in our successful cup final win last year. Frightening ability - can run all day score goals, tackle, pass, has it all. Has been outstanding for us ever since he signed and will just get better & better.

**Mason West** - Midfielder: One of the best players in this league. He has been one of our most consistent performers. Mason is a "baller" that winning mentally, who is not afraid of a tackle. Sadly, Mason is suspended and after missing our last Kent Cup final due to being in America, I feel for him. He will be supporting us from the sidelines!

**Lewis Chambers** - Midfielder: In his first season with us, he has been outstanding from the moment he pulled on the FOBG shirt - a talented player on the ball but can do everything else in central midfield. Has some incredible stories, and a marvellous top knot!

**Randall Brunyee** - Midfielder: A brilliant two-footed midfield player - makes the game look so easy. Always look like such a balanced team when he plays. Tall, powerful and when given a job to do, he executes it perfectly.

**Jack White** - Midfielder: A big-game player. His passing range is second to none, plus has the best "feel a touch and win a foul" game I have ever seen. He has a fantastic personality around the squad, and someone I hope stays to help us get to that top division!

**Ryan Hayes** - Attacker: Ryan agreed to join us for the 2020/21 season. He is a well-respected and highly recognisable face on the non-league circuit. Ryan brings craft, guile, and wonderful delivery. Top player!

**Paul Lee** - Forward: He has come a long way since joining us, has so much natural ability and an unbelievable strike. Has scored some important goals and is only now starting to believe in his ability. A very important player for us and a highly rated member of the squad. He has scored in each of our last two finals, let's make it a hatrick today!

**Ryan Penton** - Forward: Part of the front line - a pacey winger whose skillset is outstanding & on his day is unplayable. A dream to have in any team. Has scored some important goals and his ability is always a threat for any back 4. If he can cut out having to beat a player, once he's already put him on his arse, he can go a long long way in the game!

**Kalum Diani** - Forward: Young, strong, and energetic forward with an eye for a goal. Due to Saturday commitments, Kal is often unavailable but every time he puts on a shirt for the Sunday side, he puts in a solid shift!

**Steve Townsend** - Forward: A player who quite frankly has it all. Has scored over 100 goals for Farnborough and has developed into a real leader of this team. A constant threat who opposing defenders simply cannot handle. Steve has scored important goals for us, time and again. Today is your platform to shine!

**Michael Cole** - Leader: "Coley" has been brilliant since joining us, is a natural leader of men, a born winner, a fighter, and today will lead the side out! Sadly, due to his current battle, not in a playing capacity. Mike - today is for you!

**Matt Reynolds** - Player Coach: A club legend! "Ren" has been with me at Farnborough for over 10 years and whether it has been as a no-nonsense centre half or a part of my management team, has never let me down. A real character in the dressing room.

**Tommy Botting** - GK Coach: Top lad! A brilliant character, who from the moment he has come into this set-up and just worked.

**Kev Lott** - Player Coach: This man leads by example, whether at centre back or centre mid, unbelievable from a dead ball, the best striker of a ball I have seen & a real leader. One of the older crew - Has played at a high level all his career. Another, due to injuries has had his game time restricted.

**Russell Nethercot** - Player Liaison Officer: His unrivalled ability to motivate and integrate new faces into this team is second to none. Despite no longer being able to play, he has remained with us and helped me lead this talented group of players to the successes they deserve. The changing room is a quieter place without him in!

**Matt Ellis** - Manager: Following his successes with the Saturday First Team previously Matt took over this side 5 years ago and has won multiple promotions, back to back titles and two cups already... another Cup Final today for the manager whose organisation, recruitment & team selection have been faultless.

# Manager's Notes

## Dolphin Kings United

Joe, Jack & I are proud and privileged to take this Dolphin Kings team into the prestigious Kent Cup Final. Having started the team a little over a decade ago, the side had developed from the fourth Thanet League into 20/21 Premier Champions. Having won our last thirteen League games, the team is based on skill, hardwork and mostly togetherness. This togetherness has undoubtedly been strengthened by today's game and we are looking forward to playing a strong Chatham Town outfit.

To get into this position there are a number of people who deserve recognition. This includes Angela & Brendan Bean as well as the fantastic staff at the Dolphin Pub, Broadstairs & also, Boiler IQ who support us financially. We would also like to thank the Kent FA for giving us the opportunity to play this final in both difficult and time-consuming circumstances.

Finally, we would like to wish our opponents Chatham Town good luck today and look forward to an enjoyable game.

# Manager's Notes

## Chatham Town Sundays

Chatham Town Sundays formally Swallow Rise 93', were formed in 1993 as an U8/U9's team. Manager Ray Knapp took charge of the team back then and is still at the forefront of it all today.

He has taken the club from youth football into men's and has been there all the way as the team has won leagues and promotions from the Combination Division in the Medway Messenger Sunday League right through to the Senior Section in which we have finished this season the closest we ever have, just 3 points behind our rivals Quedsted.

We were first promoted into the Senior Section in the 2010/2011 season and was relegated the very same year only to win the league in the 2012/2013 season. Since then we have finished runners up 5 out of the past 8 seasons. In 2016 we won the Senior Shield and in 2018 we lost to Quedsted in the Senior Cup Final.

In the summer of 2019, we were asked to represent Chatham Town Football Club on a Sunday and to play out of the Stadium. It was an opportunity we just couldn't resist. Since then we have really grown. We have signed some great players and now have a squad that can challenge for both league and cup competitions, making our decision on picking just 16 players for today, a really tough one.

The team would also like to say a huge thank you to all of our sponsors, as without you, this great club would not be able to run. We really appreciate it!

***Jaime Pettett, Coach***

“

***On behalf of the whole Chatham Town Management Team we would like to congratulate both Chatham Town Sundays & Dolphin Kings United for their fantastic achievement of reaching the Kent Sunday Premier Cup Final. This is a proud moment for us all.***

1. **Dan Smith** - Goalkeeper: Hasn't long been with the Club. A great shot stopper with a precise pass. The better looking Smithy of the Team!
2. **Conor Miller** (Turk) - Right Back: A very strong right back. Great in the air and always gives a 9/10 performance every week. Unless he's up against Louie V!
3. **Lewis Bell** - Left Back: A versatile defender that can play all across the back line. Very strong and can run all day. Jack Couzins only friend!
4. **Joe Hughes** (Club Captain) - Centre Back: A old school, airily dominant centre half. Very vocal and is a born winner. Loves a glass of red almost as much as his other half Gerrard!
5. **Ryan Laker** - Centre Back: A very composed player with superb close control and passing ability. He controls the game from start to finish. Will be hoping Rob will be there to watch him!

34. **Harrison Ranson** - Centre Midfield

**“ Hello! Congratulations to all the appointed match officials, who have been selected to officiate in today's County Cup finals. Being selected to officiate on a final-tie is an extremely prestigious appointment, and highlights the hard work, commitment and effort that they have all contributed over the course of the season. With 23 finals this season, we have appointed 92 match officials to final-ties, representing just 5% of all affiliated match officials within Kent. We also extend our appointment process to 23 selected Referee Observers and Mentors who are on-hand today to help encourage and support the development of the appointed match officials. Congratulations to all involved, and enjoy the occasion.**
