

# Lancashire FA Website Accessibility

We have tried to make the [Lancashire FA website](#), and the information within it, as accessible as possible. You can provide these directly from the [Customer Experience](#) page of our website or by using any of the 'Forms of Contact' indicated below.

## Forms of Contact

Lancashire FA can be contacted by post, telephone and email. You can also visit our Head Office, by appointment, when local restrictions and Government Covid-19 guidance permit in-person visits. You can request content or documents from our website, such as application forms, in an alternative format by contacting the appropriate member of staff (see the [Lancashire FA Staff](#) page on our website) or sending an email to [info@lancashirefa.com](mailto:info@lancashirefa.com).

## Social Media

Where possible, Lancashire FA will provide accessible communications via social media, (for example, videos with subtitles). Where this is not possible, we will communicate via a range of platforms, including our website and newsletters as well as social media, to ensure our members can access our messages in as many different ways as possible.
