

Board Training and Development

Lancashire FA will provide Members of the Board with appropriate training, which will initially include a 4-week Safeguarding Training Programme. The document outlining the itinerary for this programme can be accessed from within the 'Safeguarding' folder within the 'Policies and Procedures' folder.

A 12-month programme of Safeguarding activities can also be accessed from the same location.

Board members are able to access modules from [The FA Training Ground website](#) in order to continue their learning development, and these include the following, amongst others:

- Questioning Techniques
- Leading Innovation and Change
- Understanding Organisational Culture
- Project Management Leadership Skills
- Information Governance
- Risk Management
- Finance for Non-Financial Managers
- Managing for Efficiency and Effectiveness
- Change Management: Change Tools
