How will Lancashire FA resolve complaints?

Stage 1 – Fact-finding

The Football Services Team will, in the first instance, liaise with all parties to establish the facts in order to seek a swift resolution. Specifically, if the complaint relates to a third person and or entity, (Employee, Club, League, Volunteer), they will be informed and given a fair opportunity to respond in writing with their account. Any witnesses will also be asked to respond in writing with their account and a thorough investigation will be undertaken. This will be done before progressing to Stage 2. Should the complaint be about a member of the Football Services Team itself, then Stages 1-3 of the complaints process will be dealt with by the Safeguarding & Wellbeing Team.

Stage 2 – Complaint Working Group

Upon conclusion of the fact-finding exercise investigating the complaint, including receipt of all information from both parties and any witnesses, a 'Complaint Working Group' (CWG) is established with a minimum of three members, one of whom the CWG appoint to act as Chair. This group may comprise of members from the Football Services Team and Senior Leadership Team.

The CWG discuss the circumstances surrounding the complaint, draw conclusions and determine the next steps to remedy the situation.

In certain situations, the CWG may also request further specific information before reaching a conclusion.

Stage 3 – Communicating the results of the investigation

On conclusion of the investigation the appointed Lancashire FA representative responsible for the complaint emails the Complainant advising:

- Details of the investigation that has been undertaken
- The findings of the investigations
- The conclusion of the CWG
- Any action taken as a result of the complaint together with the options to appeal or progress to a further stage

In the event of the CWG requesting additional information, the Lancashire FA representative responsible for the complaint emails the Complainant with an update on the progress made, and an indication as to when a full reply will be given. The Lancashire FA representative returns to Stage 1 of the process to obtain the additional information, prior to progressing to Stage 2.
