

### **3) What happens if a player tests positive for Covid-19?**

If there is a player who has tested positive, they must from that point self-isolate (or if they have symptoms, from the moment of symptoms) and NHS Test and Trace will pick up from this point. The player should contact NHS 111.

The Club can carry on, but be mindful to ensure all the guidelines are strictly followed on social distancing, hand washing etc. If Test and Trace contact them, they must provide the details and then if deemed anyone needs to isolate on their instruction, do so.
