

RESPECT

Respect Steering Group Member

Role Profile

Commitments Required

- Attend up to 3 Respect Steering Groups per season; (*12th September, Dec/Jan tbc, April / May tbc*).
- Attend the following free training during 2018/19 season;
 - o FA Unite the Game Workshop **and/or** Managing the Match Day Environment Coach CPD Event
- Ensure you have appropriate and up-to-date FA Safeguarding Training, which is as follows;
 - o Referee or Coach Rep – FA Safeguarding Children Certificate
 - o Club Rep – FA Online Safeguarding for Committee Members
 - o All Others – FA Cascade Safeguarding Training (*this will be delivered as part of the first steering group meeting if appropriate*)
- Player (Under 18) Reps **must** be accompanied by a responsible adult at all meetings, training and events in which the young person attends.

Role Purpose

- Support the County FA and stakeholders to monitor, review and develop a Respect Action Plan in Leicestershire & Rutland.
- Engage with the football community in which they represent to understand how the playing environment can be improved across mini-soccer and youth football.
- Champion the Respect Programme across the local grassroots football community.
- Subject to availability, support the delivery and promotion of the Leicestershire & Rutland Respect Week of Action events and campaigns.

Experiences

- Actively involved in local grassroots football in a league, club, coach, referee, playing and/or parent capacity.
- Involved within a FA Charter Standard Club (***only applicable if looking to be a club, coach, player or parent representative***).
- Experience of implementing the FA Respect Programme in your grassroots setting (***not applicable for a player or parent rep***).
- Preferably undertook a number of key voluntary roles within grassroots football (***not applicable for a player***).

Knowledge

- Some knowledge of the values, ethos and interventions within the FA Respect programme
- Some understanding of the County FA Discipline processes.
- Extensive knowledge and understanding of the challenges faced by the stakeholders you are representing.

Behaviours Needed

- Collaborative Teamwork
- Drive for Excellence and Quality
- Solution Driven
- Inspire others
- Desire for fairness, equality and inclusion
