

**ENGLAND  
FOOTBALL**

## ***HOW PLAYERS GIVE CONSENT TO PLAY***

*'ONE LINCOLNSHIRE COMMUNITY, UNITED AND INSPIRED BY THE POWER OF FOOTBALL'*

Consent is required by each player to play for your football club. There are two varieties of consent which can be used by clubs to verify that their player wishes to play for their club:

**Online Consent (paperless)** = A email will be released to the player asking them to confirm they wish to play for your club

**Offline Consent** = You are confirming you have the players consent to play for your club outside of the system

## HOW TO REQUEST ONLINE CONSENT

**Step one** - Log onto the Whole Game System, then to Player Registration, then you will need to click "Pending Actions"

**Step Two** - Select Online consent.

**Step Three** - After clicking "Online Consent" you will be asked to send the consent email to the person's email address.

SEND ONLINE CONSENT

JP

Send Online Consent Email to:  
**Jackius Patestius**

Proceeding will send an Online Consent link to the player's listed email address, the player must then either accept or reject the consent to play for the club.

CANCEL

CONFIRM

**Step Four** - Once sent, the "Provide Consent" option will turn to Orange and will say "Awaiting Response" if you click this button you have the option to either provide offline consent (if they player cannot action the email) or you can send the email again to the player

**Step Five** - The player/parent or guardian will receive an email as per the below, they will then need to click the link to provide consent for the player. Once completed the consent box within Player Registration System will turn green. If the user does not receive a link, they can also manage their consent via. this link: <https://players.thefa.com/#/manageconsent>

## HOW TO REQUEST OFFLINE CONSENT

**Step One** - After clicking "offline consent" you will be asked to confirm that you have signed permission from the player (or parent/guardian if Under 16) that they want to play for your club.

CONFIRM OFFLINE CONSENT

TN

Do you confirm that you have been given offline consent for **Test Number-one**?

By confirming offline consent you are declaring that you have signed permission from the player (or parent / carer if the player is under 16) stating that **this player wishes to play for you this season and can provide this evidence if requested by the league.**

CANCEL

CONFIRM

**Step Two** - After clicking "Confirm" the consent box will turn to green, clicking on the consent will provide a drop down of who the consent was confirmed by alongside a timestamp
