## SURVEY GUIDANCE:

- First question asks for the child's age, and then auto branches into differentiated questions that relate to the child's age group
- Younger children may need parental support with understanding of the questions
- Parents can pass on the link securely to a child's device if they wish
- Clubs could use their distribution platforms such as Spond, WhatsApp, Email to circulate the link, or display the QR code in club areas
- This guidance can be circulated to explain the process

All participants (regardless of role) aged 7 to 18 are invited to give their thoughts.
