Chairs Report; New Member of the youth Division has been passed by the board of directors Louise Dorling will join at the next meeting, Louise will be a great asset the youth division.

IB asked NT about the ID badges that are now out of date NT replied there was new members of council which also will need ID badges, it was mentioned at the last meeting that they would be sent out before the start of the season NT to chase this up.

IB expressed the disappointment with the cup draw which had only just start being drawn some league have expressed that this is holding up their fixtures going out to clubs as most will sent out 4 weeks' worth at a time. NT has expressed that the 12/13 have been done and the 14/15 are due to be done shortly IB suggested that the draw could have gone to the leagues but not made public. The cut off was always 31-7 so that the draw could be done first week in August. The club would get the 3 weeks' notice of there fixture.

KG why was this changed

DH this was changed to maximize the cup draw

KG has there been a drop-in number entering the cups

NT had spoken to Jamaal who has said this was to try and get more teams into the cups at this moment we have 20 more teams and by the end before the draw we should have 50 extras.

IB The Draw cut off Date needs to be 31st July Agreed by all

NT Neil has spoken to Jamaal the website should be updated by Thursday 12th September

IB a new company is now dealing with update for the website

IB still we have the old rules from 18/19 and we have cups rounds starting this will give clubs the wrong rules and these need to be sent ASAP

DH there is a game this Thursday 10th September IB rules have been sent out to stop any confusion.

LFA Update; we will soon receive the operative plan by the FA 19/20'
