The logo for SportsGuard features the word "SportsGuard" in a bold, green, sans-serif font. The letter "o" in "Sports" is replaced by a black and white soccer ball. Above the text, there is a row of five sports balls: a yellow tennis ball, a red tennis ball, an orange basketball, a grey table tennis ball, and a small red ball. A green swoosh underline is positioned below the text.

# PUBLIC LIABILITY.

**We have been providing public liability insurance since the mid-90's and presently place business with our trusted working partners, which gives us more freedom to underwrite using our experience and expertise.**

It is of vital importance that all organisations protect themselves against the disastrous consequences of liability for injury or damage arising out of their actions and this includes the actions of all-executive officials, members and volunteers. Such officials and members at all levels could find themselves held personally responsible for court costs and damages awarded where an action has been brought against the club for negligence and it is essential that adequate liability cover is arranged to avoid such consequences. The main features of the policy are summarised below.

## Public Liability Scheme

**£16  
per club**

Benefit	Sum Insured
Public Liability	Up to GBP 10,000,000
Professional Indemnity	Up to GBP 10,000,000
Player Legal Defence Costs	Up to GBP 250,000
Employers Liability	Up to GBP 10,000,000
Directors & Officers Liability	Up to GBP 5,000,000
Abuse	Up to GBP 1,000,000

## INTRODUCTION

We are proud to be working with our appointed lead underwriter for our sports public liability products. We have achieved "Accredited Broker" status and we will continue to make sure we meet your sports public liability insurance expectations.
