

## Football v Homophobia Month of Action Events

Football v Homophobia Grassroots is an initiative supported by Puma to get grassroots football clubs to take action to tackle LGBT+ discrimination in football throughout February, the [Football v Homophobia Month of Action](#).

To support clubs and individuals take action, we are hosting a series of virtual webinars, workshops and panel discussions. These are aimed to be thought provoking, encourage reflection and amplify voices. The Football v Homophobia Youth Panel are hosting a series of events for younger audiences, although we welcome attendance from people of any age.
