Further Information

The London FA takes its role as a provider of football for under 18s very seriously. Their wellbeing is paramount in all decisions taken by us. All children and young people we come into contact with have the same protection regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity.

It is our expectation that all our staff will at all times act in the best interests of children and young people under the age of 18 and in accordance with The FA’s Safeguarding Children Policy. The welfare of children and young people must always be paramount.

Diversity is at the heart of our strategy, because it is at the heart of grassroots football in London. We pride ourselves on the increasing diversity of our Board. We encourage applications from the widest range of backgrounds, particularly

where there is often under-representation. We are particularly keen to encourage female, black, Asian and LGBT+ applicants, and applications from those with disabilities and from minority ethnic, belief and racial groups.
