

The FA Football Development Programme

FOOTBALL DEVELOPMENT PLAN FOR FA CHARTER STANDARD DEVELOPMENT CLUB

Elmtree Youth FC Development Plan

Seasons 2012 / 13 to 2017 / 18

CHARTER STANDARD CLUB

Tip: The first stage of Football Development Planning is to understand exactly what you hope to achieve. Ask yourself and others what you would like your project to do.

Your project may address a specific problem or have a more general aim such as increasing participation opportunities. Complete the table on page two to focus your ideas into a clearly defined vision, something that will inspire the people around you.

YOUR VISION

- To provide quality, safe opportunities for young people of all ages in our community
- To provide a safe and positive alternative place to go other than playing on the streets
- To help people realise their potential, develop personal skills and confidence
- To introduce people to football regardless of age, ability, sex, religion and ethnic background
- To improve the performance of players, Coaches and volunteers within the club.

CLUB DEVELOPMENT TABLE

The Club Development Table is a summary of the number of teams it wishes to retain and develop within the different categories of football over the period of the Development Plan.

- **Tip:** Remember to complete the season date and identify the number of teams for each season.
- **Tip:** Develop a shared vision that is representative of the full club, not just one person! By involving as many people as you can in your organisation you can establish a 'shared vision' that is representative of your members and clearly identifies your purpose. By selecting one vision, you add focus and clarity.
