Select to **'Use as a suspension match'** if match qualifies for suspension

- When you click new match you will then be able to start entering the fixture. When the calendar appears, click the date of the relevant match

- Select whether you were home or away
- Directly below the home and away options, you will see there is a box which says 'All Teams'

All Teams ▼

- Select the relevant team that the suspension fixture is for.

- You will then be required to choose from one of the following options:

- League Competition
- Cup Competition
- Other Matches

- Once you have selected the competition, you will then see the All Teams box appear again. This time, you need to click on the drop down to find the team you were playing (opponents).

- Once all the details have been entered you will then be able to create the match

- Once you have clicked on 'create' the system will take you back to the 'Matches' tab where you will now be able to see the match details:

12. If you then click on the suspension tab for that particular match (see above image), this will then flag up which individuals suspensions this match will qualify for.
