# UNDER 16s

## PREMIER DIVISION

The 2<sup>nd</sup> Matchday of The North London Youth Futsal under 16 league took place on Saturday 15<sup>th</sup> February at Haringey 6<sup>th</sup> Form College in London. Positive news before the game came with the news that Braintree Futsal had agreed to become the 8<sup>th</sup> team in the league, completing what is an exceptional line up of teams.

More positive news was that a sponsor has been secured to help out with funding the league. We will welcome the sponsor to the league on Matchday 3 on Saturday 29<sup>th</sup> February.

Prior to the first league game. Haringey 6<sup>th</sup> form college team played Oxford City Lions, one of the strongest teams in the league as part of an exhibition match and as a way to reward the students from Haringey 6<sup>th</sup> form who are volunteering and officiating at the league. An outstanding match saw Oxford run out 11-6 winners in front of an appreciative crowd.

Oxford City Lions then faced a Kent United team who had lost narrowly on the opening day to Genesis. For long periods Kent were able to match Oxford, but Oxford were clinical in attack and moved ahead at half time. Despite Kent showing some good quality, they were unable to get themselves back into a game that was extremely competitive. Some flashpoints between the two teams occurred near the end, with tempers flaring, but both coaches Nuno and Enrique should be congratulated for setting a good example to their teams.

In the 2<sup>nd</sup> match, Finta entertained CM Academy, who fielded some of the excellent players who had played in the National League at senior level. It was an outstanding match full of technical quality. It was Finta who were able to capitalise on their outstanding incisive attacking play. Finta who had match ProFutsal for long periods on MatchDay 1, show a general level of mastery of the ball that is so impressive for such a young squad. CM Futsal themselves had some outstanding performers on the day. An outstanding moment of fair play occurred when a player from CM Academy told officials he hadn't been fouled and asked the referees to overturn their decision. It was very pleasing to see this, especially when the game was extremely close and competitive at that time. Credit to Dimar and Carlos for the way they led their teams. It was another impressive and competitive matchday, and we thank all spectators, players and club officials for taking part.
