WELCOME FROM MANCHESTER FA

Manchester Football Association would like to welcome everyone to tonight's U16 Girl's Youth Cup Final.

Tonight we welcome Droylsden Youth Centre & Curzon Ashton to battle it out in an attempt to win our the U16 Girl's title, and with some high scoring games behind them we should be in for a treat!

Both Droylsden Youth Centre and Curzon Ashton currently play their games in the South Manchester Girl's League.

A fiercely competed competition at times, the U16 Girl's Youth Cup has provided us with some of our more entertaining fixtures and there is no doubt that tonight's affair will be up there with some of the greats!

CHRIS BERREVOETS, Football Services Officer:

“They're back! On behalf of Manchester FA, I offer a very warm welcome to spectators, teams and match officials to this evening's U16 Girl's Youth Cup Final.

Tonight is the seventh of our action-packed County Cup programme we welcome two of Manchester's top performing clubs and with that, we hope to see an exciting spectacle.

A massive thank you to everyone involved in making this final happen, including West Didsbury & Chorlton for hosting this prestigious competition and for their support of Women's & Girl's Football. Good luck to all and may the best team win!”

Manchester FA provides County Cup competitions for teams and players aged U11s through to U16s.

These competitions offer female players the opportunity to pit their skills against teams from across Greater Manchester, most of whom they wouldn't meet otherwise.

Tonight's final is Women's EURO 2022 themed as the get closer to the competition coming to Manchester & Trafford this summer

MANAGER'S COMMENTS

PAUL DOWNING, Droylsden Youth Centre Manager:

“ Droylsden Youth Centre FC Girls U16, also known as Pumas, are currently competing in The South Manchester Girls Football League. After playing 13/14 games, we sit joint top with the league to be decided in the last game of the season. Also, to mention, Pumas beat our closest challengers Formby CFC in the semi-final and will take on Runcorn Linnets in the Challenge Cup Final on the 7th May 2022.

I would like to take the opportunity to pay tribute to Craig Williams. Craig was a very important part in the development of girls' football for Droylsden Juniors but more in particular this team which he was involved with since the very start of their footballing journey. Sadly, Craig passed away in December and is sadly missed by all. ”

AIDEN SIDDALL, Curzon Ashton Manager:

“ Our season so far has been a season in which we've grown as a team. Making the move from NMGL to SMGL has seen us take on opponents new and old and has seen us go on an incredible run of form.

The dedication and commitment from all the players, coaches and parents has been amazing, without which we wouldn't find ourselves in this glorious position and a position where the girls can make history.

Our run to the final started with a home tie vs Ashton Pumas, having met in previous years we knew that this was no easy tie, and we were made to work hard for our result. The next round saw us take on Glossop North End away in some very tough pitch and weather conditions, again the whole team having to dig deep for the result.

Having reached this final is a great achievement for us all and one we will look to do ourselves proud.

To conclude I and my wonderful team would like to thank all the parents, friends, club, and everyone who has supported us through out a fantastic season, and we hope you continue to do so and enjoy women's and girl's grassroots football for years to come! ”

KEEP FOCUS ON FUNDRAISING THIS YEAR:

If you're honest with yourself, how much has your club focused on fundraising in the last couple of years? Ever-changing priorities and rules mean fundraising probably hasn't been at the top of your to-do list, especially at a time when it's needed more than ever.

A new year brings new opportunities and a regained sense of focus, and one way to keep a focus on fundraising this year and beyond is by registering your club with easyfundraising.

Who is easyfundraising?

easyfundraising is the UK's largest fundraising cashback platform. Unlike other platforms where individuals can earn cashback for themselves on their online purchases, individuals can earn cashback for their favourite good cause or charity instead. Meaning your club can earn some much-needed funds from its supporters and players shopping online.

So, what shops can we earn free funding from?

At present, there are over 6,000 online retailers your club can earn free funding from, but this number is increasing daily. easyfundraising works with everyday favourites like Amazon, Sainsbury's, Boots, and Holland and Barrett. Big department stores like John Lewis, M&S, Debenhams, and House of Fraser. Home improvement retailers, B&Q, Dunelm, Wickes, Argos, and fashion brands like ASOS, North Face, H&M, Boden, Clarks, and Pretty Green. Your supporters can even earn free funding from the likes of TUI, Thomas Cook, lastminute.com, Compare the Market, NOW, SKY, Virgin Media, and many, many more.

How much have other good causes and charities earned?

Since its establishment in 2007, easyfundraising has helped good causes, and charities raise nearly £40M. Last year alone, they raised nearly £4M, which good causes and clubs like yours have put towards exciting projects, saved for a rainy day, updated their facilities, or used to improve the support for its users.

How can easyfundraising keep your club's fundraising focused this year?

- It's free and easy to use: Not just for your club, but also for your supporters.
 - Fundraise from everyday habits: Now, more than ever, your club's community is shopping online, and all they need to do to earn your club free funding is to go through the easyfundraising website or app before they shop online as usual.
 - A continuous stream of income: No matter what is going on with the world, your club can fundraise all through the year.
 - Complements existing activities: Your club can continue your existing fundraising activities, while easyfundraising helps you earn extra money in the background.
 - Your club is never alone: easyfundraising has a wealth of content and materials to educate, engage and motivate your club's community. From social media posts, WhatsApp messages, posters, flyers, toolkits, and images, your club will have

it all at their fingertips.
