WELCOME FROM MANCHESTER FA

Manchester Football Association would like to welcome everyone to tonight's U18 Girl's Youth Cup Final.

Tonight we welcome Atherton Laburnum Rovers and Salford United Juniors to battle it out in an attempt to win our the U18 Girl's title, and with some high scoring games behind them we should be in for a treat!

Both Atherton Laburnum Ladies and Salford United Juniors currently play their games in the South Manchester Girl's League.

A fiercely competed competition at times, the U18 Girl's Youth Cup has provided us with some of our more entertaining fixtures and there is no doubt that tonight's affair will be up there with some of the greats!

CHRIS BERREVOETS, Football Services Officer:

“They're back! On behalf of Manchester FA, I offer a very warm welcome to spectators, teams and match officials to this evening's U18 Girl's Youth Cup Final.

Tonight is the eighth of our action-packed County Cup programme we welcome two of Manchester's top performing clubs and with that, we hope to see an exciting spectacle.

A massive thank you to everyone involved in making this final happen, including West Didsbury & Chorlton for hosting this prestigious competition and for their support of Women's & Girl's Football. Good luck to all and may the best team win!”

Manchester FA provides County Cup competitions for teams and players aged U11s through to U18s.

These competitions offer female players the opportunity to pit their skills against teams from across Greater Manchester, most of whom they wouldn't meet otherwise.

Tonight's final is Women's EURO 2022 themed as the get closer to the competition coming to Manchester & Trafford this summer

MANAGER'S COMMENTS

JASON HUYTON, Atherton Laburnum Rovers Manager:

“ Having secured our divisional league championship in the Greater Manchester women's open age in our first season, this talented group of girls now find themselves with two cup finals in the space of two days. A tough challenge by any stretch of the imagination, made even more difficult by the team we face tonight.

Both sides sharing a long, competitive and healthy respect for each other. Atherton have been very competitive in every game this season and I have no doubt we will give absolutely everything to ensure we are equally as competitive in this final, to showcase some of the exciting football we have produced this season.

I would like to wish everybody involved tonight the very best of luck, that will showcase the skills of two very exciting teams. ”

DANIEL WRIGLEY, Salford United Juniors Manager:

“ Salford United Ladies started the season with big hopes of securing the title with just missing out with a young under 18s last year finishing 2nd to a good Chorley team.

Now with that experience and the team a year older we felt its our time.

With a few new teams joining the league Salford were determined to get off to a good start which we did beating the previously unbeaten Fleetwood 8-2 at home. This set the standard for the games for the rest of the season, with some departures and injuries Salford struggled for numbers for a few games throughout the season playing with 10 twice and eleven on numerous occasions. The team have shown tremendous resolve and now have 15 players available for the last few games of the season, so positions are now being challenged from squad players which we have been missing for the majority of the season.

We are in every cup final for every competition they have entered this season having won the league we have this final and two other finals awaiting so the talk of the quadruple has been spoken about quietly ha. Nobody is getting carried away just yet but Salford always go into every game to win and expect nothing less so the ladies will always be pushed to their maximum capability win lose or draw. Hopefully the girls will remember this season for the rest of their lives ”

ATHERTON LABURNUM ROVERS

Atherton Laburnum Rovers were founded in 1956 by Joe Riley as an under 14s side and after a difficult first season in the local Briarcroft Junior League, they went on to enjoy much success in League and Cup competitions. In 1982 the club became founder members of the North West Counties League, being placed in division two until the league was reorganised in 1987 when ongoing ground improvements saw them placed in division one. 1989 saw floodlights erected and the club enter the FA Cup for the first time, while in 1991 the changing rooms and clubhouse were completely rebuilt. The U18'S Ladies team was formed in 2020 and plays their home games at Crilly Park

KEEP FOCUS ON FUNDRAISING THIS YEAR:

If you're honest with yourself, how much has your club focused on fundraising in the last couple of years? Ever-changing priorities and rules mean fundraising probably hasn't been at the top of your to-do list, especially at a time when it's needed more than ever.

A new year brings new opportunities and a regained sense of focus, and one way to keep a focus on fundraising this year and beyond is by registering your club with easyfundraising.

Who is easyfundraising?

easyfundraising is the UK's largest fundraising cashback platform. Unlike other platforms where individuals can earn cashback for themselves on their online purchases, individuals can earn cashback for their favourite good cause or charity instead. Meaning your club can earn some much-needed funds from its supporters and players shopping online.

So, what shops can we earn free funding from?

At present, there are over 6,000 online retailers your club can earn free funding from, but this number is increasing daily. easyfundraising works with everyday favourites like Amazon, Sainsbury's, Boots, and Holland and Barrett. Big department stores like John Lewis, M&S, Debenhams, and House of Fraser. Home improvement retailers, B&Q, Dunelm, Wickes, Argos, and fashion brands like ASOS, North Face, H&M, Boden, Clarks, and Pretty Green. Your supporters can even earn free funding from the likes of TUI, Thomas Cook, lastminute.com, Compare the Market, NOW, SKY, Virgin Media, and many, many more.

How much have other good causes and charities earned?

Since its establishment in 2007, easyfundraising has helped good causes, and charities raise nearly £40M. Last year alone, they raised nearly £4M, which good causes and clubs like yours have put towards exciting projects, saved for a rainy day, updated their facilities, or used to improve the support for its users.

How can easyfundraising keep your club's fundraising focused this year?

- It's free and easy to use: Not just for your club, but also for your supporters.
 - Fundraise from everyday habits: Now, more than ever, your club's community is shopping online, and all they need to do to earn your club free funding is to go through the easyfundraising website or app before they shop online as usual.
 - A continuous stream of income: No matter what is going on with the world, your club can fundraise all through the year.
 - Complements existing activities: Your club can continue your existing fundraising activities, while easyfundraising helps you earn extra money in the background.
 - Your club is never alone: easyfundraising has a wealth of content and materials to educate, engage and motivate your club's community. From social media posts, WhatsApp messages, posters, flyers, toolkits, and images, your club will have

it all at their fingertips.
