WELCOME FROM MANCHESTER FA

Manchester Football Association would like to welcome everyone to tonight's Veterans Cup Final.

Tonight we welcome Dom Doyle FC and Rochdale Vets to battle it out in an attempt to win our veterans cup competition title, and with some high scoring games behind them we should be in for a treat!

Dom Doyle currently play their games in the Cheshire Veterans Football League whilst Rochdale Veterans ply their trade in the Tameside Football League

A fiercely competed competition at times, the Veterans Cup has provided us with some of our more entertaining fixtures and there is no doubt that tonight's affair will be up there with some of the greats!

CHRIS BERREVOETS, Football Services Officer:

“They're back! On behalf of Manchester FA, I offer a very warm welcome to spectators, teams and match officials to this evening's Veteran's Cup Final.

Tonight is the fifteenth of our action-packed County Cup programme we welcome two of Manchester's top performing clubs and with that, we hope to see an exciting spectacle.

A massive thank you to everyone involved in making this final happen, including Hyde United for hosting this prestigious competition at Andrew Street. Good luck to all and may the best team win! ”

Our Veterans County Cup is open to all eligible member clubs. With the number of teams growing each season, this is now a full scale competition and has been running for four seasons.

2017 - Rochdale Vets

MANAGER'S COMMENTS

PAUL CARTY & PAUL BARBER, Dom Doyle Joint Managers:

“ The team is jointly managed between Paul Carty and Paul Barber.

Paul Barber spoke to player's and got a team together but had no club, Paul Carty has watched Dom Doyle over several seasons as his brother and son have both played for Dom Doyle, so they approached the club, we were more than happy to take on the team that has great lads.

As the season has gone they brought players in who've helped in pushing the team on to a consistent winning level culminating in, at the moment in the FA County Cup final and also potential in the League Cup's and an outside chance of winning the division

Paul B and Paul C would like to thank the players for all their hard work ”

ANDREW JACKSON, Rochdale Veterans Manager:

“ Having played for the previous six seasons in the Manchester Vets League, in which all games were played at the same venue on a 3G surface, this season has had a somewhat different feel to it with the team now having home and away fixtures and also playing on grass pitches again, something which a lot of the players hadn't done for a number of years.

The season started with an encouraging 3-1 win at local rivals Wardle, but we were brought down to earth in our first home game, losing 5-3 against Coppice after racing into a three goal lead! Coppice would prove to be our nemesis as we won all of our other league games after that apart from the return fixture with them. After getting into a 3-2 lead in the second half, we let it slip again and ended up losing 4-3 and basically seeing our hopes of winning the league evaporate on a disappointing afternoon in January. The team are determined to finish the season on a high and win the competition for a third time this evening. ”

DOM DOYLE VETERANS

Dom Doyle FC was formed in Denton in 2015 following the tragic murder of Dom Doyle aged 21, on June 7th 2015.

Dom was a talented footballer, so a few of his friends, Jordan McCann, Rick Dorney and Will Hustler came up with the idea to form a football team in his memory.

With enormous support from Billy Hustler, Dom Doyle FC is a family club with great enthusiasm and spirit.

Joining the Tameside League in 2015 with little money and a second hand kit we finished a respectable fourth place in Tameside League Division Two.

In 2016 we became a Chartered Standard Club and Dom Doyle FC we're promoted by the league to the Prem. We also formed a second team (Rangers) who were placed in division 3 of the Tameside League. Both teams finished top and winning of their leagues respectively.

In 2017 we formed our first Youth Team and Dom Doyle FC entered a team into the Saturday Lancashire & Cheshire League division 3, under the Management of another good friend of Dom's, Jack Holland, in which we did the double, in winning the division and Wray Cup, promoted to division 1, in which they are sat at the top

In 2017, following a very successful second season we were nominated for two awards by Manchester FA and won the grassroots 'Best Team of the Year Award' at the Midland Hotel. In 2018 we have also won Pride of Tameside "Club of the Year2, we were then put forward and won North West "Club of the Year" at the Greater Manchester Sports awards held at Old Trafford Cricket Club. The Club also moved to play its home games at Haughton Green Playing Fields where we renovated a derelict Club House.

The teams have won several trophies over the last couple of seasons as we now have 6 teams playing under the Dom Doyle banner

ROCHDALE VETERANS FC

The club was formed in 2015 and entered the Manchester Vets League which was situated at the Failsworth Sports academy. The team enjoyed plenty of success in its early years. Under the managerial guidance of Ross Turner and Paul Adams, the team won the league three seasons running, and also the Manchester Vets County Cup in 2016, beating Oldham Vets in the final, and in 2017 when they beat Chaddy Park Vets 3-1 with the final being staged at Hyde United. Neil Wise and Andrew Jackson took over the reigns for the 2018/19 season and the success continued with the league being won again following a nail biting 3-2 win in the last game of the season against their nearest challengers Mawds F.C.

Both the 2019/20 and 2020/21 seasons were interrupted by the pandemic, during which Neil Wise stepped down leaving Andrew Jackson in sole charge of the team. The Manchester Vets league also folded so the club joined the newly formed Tameside Vets league for the 2021/22 season, playing their home matches at Hopwood Hall College in Middleton. This season saw the team finish league runners up.

KEEP FOCUS ON FUNDRAISING THIS YEAR:

If you're honest with yourself, how much has your club focused on fundraising in the last couple of years? Ever-changing priorities and rules mean fundraising probably hasn't been at the top of your to-do list, especially at a time when it's needed more than ever.

A new year brings new opportunities and a regained sense of focus, and one way to keep a focus on fundraising this year and beyond is by registering your club with easyfundraising.

Who is easyfundraising?

easyfundraising is the UK's largest fundraising cashback platform. Unlike other platforms where individuals can earn cashback for themselves on their online purchases, individuals can earn cashback for their favourite good cause or charity instead. Meaning your club can earn some much-needed funds from its supporters and players shopping online.

So, what shops can we earn free funding from?

At present, there are over 6,000 online retailers your club can earn free funding from, but this number is increasing daily. easyfundraising works with everyday favourites like Amazon, Sainsbury's, Boots, and Holland and Barrett. Big department stores like John Lewis, M&S, Debenhams, and House of Fraser. Home improvement retailers, B&Q, Dunelm, Wickes, Argos, and fashion brands like ASOS, North Face, H&M, Boden, Clarks, and Pretty Green. Your supporters can even earn free funding from the likes of TUI, Thomas Cook, lastminute.com, Compare the Market, NOW, SKY, Virgin Media, and many, many more.

How much have other good causes and charities earned?

Since its establishment in 2007, easyfundraising has helped good causes, and charities raise nearly £40M. Last year alone, they raised nearly £4M, which good causes and clubs like yours have put towards exciting projects, saved for a rainy day, updated their facilities, or used to improve the support for its users.

How can easyfundraising keep your club's fundraising focused this year?

- It's free and easy to use: Not just for your club, but also for your supporters.
 - Fundraise from everyday habits: Now, more than ever, your club's community is shopping online, and all they need to do to earn your club free funding is to go through the easyfundraising website or app before they shop online as usual.
 - A continuous stream of income: No matter what is going on with the world, your club can fundraise all through the year.
 - Complements existing activities: Your club can continue your existing fundraising activities, while easyfundraising helps you earn extra money in the background.
 - Your club is never alone: easyfundraising has a wealth of content and materials to educate, engage and motivate your club's community. From social media posts, WhatsApp messages, posters, flyers, toolkits, and images, your club will have
