“On behalf of Manchester FA, I offer a very warm welcome to all spectators, teams and match officials to today's Manchester FA Youth Cup Finals.

With the second of our two bumper cup final days, the end of the 2021/12 County Cup programme is in site, and I would like to place on record my thanks to all of you for your support and participation

A special thanks of course goes to the team at Manchester FA for their hardwork and effort in making each final a true showcase event.

# TRAFFORD FC YOUTH

We are honoured to be leading this great squad of players to the Manchester FA County Cup Final in our first season with Trafford FC Youth. The players have progressed very well over the season playing in 2 leagues reaching 3 finals and winning the 1st of 3 last week, runners up in both leagues. We have had 2 players sign for academy's in the last two months with potential for further signings down the line.

The squad recently participated in the Porto International Cup in Portugal playing the likes of FC Porto & Boavista F.C finishing 3rd from 10 participants was a great achievement. The squad also recently won the Blackpool International Cup and winning the Failsworth Villa cup at the start of the season. We like to create opportunities for the players whilst encouraging them to have fun & enjoy football.

We would like to close by saying thank you to Mark Farrell as his support has been outstanding. The parents deserve praise for finding the time to bring their kids to training & games wherever they may be. Most importantly a massive thank you to our sponsors Aweways Properties Management Consultancy & Independent Window Cleaners for sponsoring the kits, their contribution has been vital in providing the team to play. The club continues to grow, thanks to the hard work from the volunteers and those behind the scenes.

# STOCKPORT COUNTY COLTS

It's been a very tough season for us as a team with injuries throughout the year leaving us with low numbers for many of our games, we even had 9 players for one of our games.

We even had conversations about folding the team.

After this low point of the season we had a big turn around, new signings and a renewed belief had the team battling for every game and hoping for success. No game has been easy for us this season, I've seen each one of these players give their all for each other and I couldn't be a more proud of this group of players.

# ELITE FC

Elite FC junior football club are based in Cheadle Hulme & play home matches on the artificial 3G pitch at Seashell Trust.

The team currently play in the East Manchester JFL.

The club was formed in 2016 & now have 14 junior teams affiliated to the club. Having been very successful in the younger age groups since the clubs formation, this is the first time that a team from the club has reached a Manchester FA County Cup Final.

The team are enjoying a fantastic season with some excellent performances in the league. Our county cup run has been really pleasing considering the standard of some of the teams we have faced on our way to the final.

The way we overcame a very strong Avro side in the semi final has really helped bring the boys together, 2-0 down at half time to come back & win with a last minute winner showed the fight & desire team have this season.

# FLETCHER MOSS RANGERS

It's been a great campaign so far. We have had many highs, one being beating Boltons full academy 5-3. Another being that we have had 6 players just this season signed into professional academies. Since we started 6 seasons ago we have had SIXTEEN signed so it's a great achievement to even still be competing.

# IRLAM FC JUNIORS

In what's has already been a successful season for the boys winning both the Warrington league and the President Cup over the last 2 weekends. They go into the game flying & all the focus is bringing the county cup home to make the season even more successful.

Irlam JFC now has a pass-way all the way to step 5 football in the football pyramid which is Semi professional football so hopefully we can get a few lads out there today playing in our 1st team in the future.

A Strong group of players who are also looking to improve year in year out and an easy bunch to coach really, my aim as a coach is to try and get these boys to the next level which is into the academy system and we've been pretty successful at that losing 12/13 boys along the way so to rebuild and rebuild year in year out shows the character of the group.

Irlam and Fletcher are no strangers to each other playing numerous times over the year and has always been a competitive fixture so today will be no different.
