WELCOME

MIDDLESEX FA

Our Story

Our role is to develop and support the grassroots game in the geographical County of Middlesex. We are a charitable organisation providing everyone with the opportunity to participate in the game across Middlesex. Our boroughs are some of the most densely populated and diverse in the country and we are committed to connecting and collaborating with everyone who would like to be involved.

Our primary focus when anyone chooses to participate in the game is to make sure safeguards are in place to ensure they have fun in a safe environment, creating pathways for them to stay in the nation's favourite game for as long as they wish. At Middlesex FA our staff and volunteers work tirelessly to share their passion for football. At our facility, Rectory Park, we are proud to have expanded our reach by working with our partners to deliver on and off the pitch.

Our Mission

Rebuild, modernise and grow the game for all.

Our Values

We are **Committed**

We are **Creative**

We are **Collaborative**

We are **Connected**

Our Purpose

To ensure each and every person in Middlesex has the opportunity to get involved in football. To achieve this vision, we have four simple values that staff, Council and Committee members here at the Association live and breathe – to be committed, to be creative, to be collaborative and to be connected. With these values, we'll continue to move football forwards, creating an environment where regardless of age, ability, faith, gender, sexuality or background, people in Middlesex are able to enjoy the beautiful game.

CHAIR'S INTRODUCTION

JOHN TAYLOR

It has been a year of change for Middlesex FA as we welcomed Kayleigh Saunders as our new CEO, along with several new members of our Association Staff. The result has been another strong performance for Middlesex FA in the last 12 months.

There have also been changes at Board level. Middlesex FA appointed its first independent non-executive directors, Poonam Majithia and Badri Narasimhan, whilst the Chair of our Inclusion and Advisory Group, Dr Colin King and CEO, Kayleigh Saunders also joined the Board.

One former director, Mike Heavey took the decision to step away from the Association after many years. Mike played a pivotal role in recent years as the Board's Safeguarding Lead, a role in which he excelled and contributed to the Association's exemplary performance in this area. Leigh O'Connor, our Chief Executive for the last six years left the Association for a new position as a Regional Manager at The Football Association. Middlesex FA is grateful to Mike and Leigh for their outstanding service to Middlesex Football.

Middlesex FA is committed to providing a safe environment for all participants. During the season we were assessed by The FA's external verifiers who confirmed that we continue to meet The FA's Safeguarding Operating Standards. Indeed, the assessors congratulated us on our exemplary good practice in several areas of safeguarding.

It was a memorable summer for football with the Lionesses winning the 2022 Women's Euros. With two of the tournament venues, Wembley Stadium, and the Brentford Community Stadium, being in Middlesex, MFA was selected to deliver some outstanding legacy work. As a result, we were nominated for an award at the FA County FA Recognition Awards at Wembley Stadium in November.

Rectory Park has really established itself as a centre of the community during the year. Under the leadership of Centre Manager Natasha Cameron, the centre is operating at near to capacity in terms of pitch and facility bookings, as well as being a real community hub.

The Middlesex FA Inclusion Advisory Group, under the leadership of Dr Colin King, has continued to share its expertise to enable Middlesex FA to fulfil its commitment to be representative of its community and meet its equality, diversity, and inclusion objectives. The MFA Youth Council has a new Chair in Oliver Ellery and they have continued to lead on many events and to provide the younger members of our football community with a voice within the Association.

In September we staged our Grassroots Awards Evening at Brent Civic Centre. We were delighted to formally recognise the winners of the awards and record notable anniversaries achieved by Hampton & Richmond Borough and the Greater London Women's Football League, who had reached 100 and 50 years, respectively. During the evening we also presented several FA and Middlesex FA Long Service Awards. We were also honoured to present our former Chair and President Jim Taylor with the Fellowship of the Association.

I would like to place on record my thanks to the Middlesex FA and Rectory Park Staff for their efforts during the season. I would also like to thank my colleagues on the Board and Council of Middlesex FA and all the members of our committees, sub committees, and advisory groups for their valuable work during the season.

Finally, I would like to take this opportunity to thank all the volunteers responsible for running leagues, clubs, and teams in the various formats of the game and to our players and match officials. Without you there would be no game and we are extremely grateful for all your efforts. Everyone involved with Middlesex FA is looking forward to continuing to work with all our stakeholders to meet the challenges we will all face during the coming season.

CHIEF EXECUTIVE'S FOREWORD

KAYLEIGH SAUNDERS

This season has seen a number of staff choose to take the next steps in their careers and whilst we never want to see any of our team go, it has been rewarding to see them push themselves onto new challenges. It is also important to remember that with change comes the chance to grow and develop. As such, we were excited to see our team grow with a number of new roles being created at the same time as replacing outgoing colleagues.

I have been delighted to take on the role of Chief Executive Officer at Middlesex FA following working in a range of roles across the organisation. I have had the opportunity to work closely with our staff and also with the majority of our clubs, a wide range of partners, volunteers and members of the workforce. I have enjoyed this new challenge and have taken the organisation through a period of change this season, demonstrating passion to drive the organisation forward, seeing Middlesex Football continue to grow and ensure that Middlesex FA is truly representative of our community.

This review highlights the successes and achievements of the season and will highlight the impact we are making in our local community whilst ensuring the game is accessible to all.

This review will highlight the progress we are making against our targets in our Strategy, *Leading From The Front*, which is built on our mission to Rebuild, Modernise and Grow The Game For All. As a reminder our key priorities in the strategy are:

- ⊕ To be relevant, fit for purpose and to make equality a reality
- ⊕ Provide a safe, fun and compliant environment for all
- ⊕ Provide a customer-centred approach to administration and deliver a high-quality service to all
- ⊕ Provide inclusive and accessible opportunities for all
- ⊕ For the good of our community

We continue to ensure Middlesex FA is at the heart of our community and we will continue to ensure our facilities at Rectory Park are available to all by offering a wide range of activities on site. We will work with and support our network of clubs, leagues, volunteers, players, referees, coaches and administrators to deliver this strategy and to make everyone feel a part of Middlesex Football.

The Middlesex Staff team has worked tremendously hard to ensure the game received support and guidance throughout the season. We have increased our focus on health and wellbeing and training and development to ensure we continue to develop and support our workforce. I would like to thank them for their hard work and dedication to Middlesex Football.

Football in Middlesex wouldn't happen without the thousands of volunteers who run leagues, clubs and teams. We really appreciate the time and commitment you give to the game. Thank you.

I would also like to thank our match officials who support and manage the vast majority of our games week in, week out.

I wish you well and thank you once again for the support you give to Middlesex Football.

INCLUSION

Middlesex FA are committed to ensuring that Inclusion is a part of everything we do. We have celebrated the diversity of our county, through various campaigns. Firstly, the Black History Month CPD Workshop organised by Paul Sharpe.

In November, the Rainbow Laces Campaign saw a commemorative fixture take place between Hanwell Town FC and Harrow Borough in the Middlesex Senior Challenge Cup. To mark the occasion, both sets of players wore rainbow laces and presented a rainbow flag in a pre-match presentation. Flags and banners were presented around the stadium, and there were additional messages of support for the campaign shown in the matchday programme, as well as on social media.

In December, we collaborated with QPR in the Community to mark the International Day of Persons with Disabilities. Members of MFA Staff visited QPR's joint Tiger Cubs and Para teams training session, to interview players and coaches on their experiences in football.

In February, Middlesex FA showed their support for the Level Playing Field Campaign, to highlight the importance of accessible facilities for disabled supporters.

To mark International Women's Day in March, Middlesex FA were proud to announce the launch of the 'Support our Future' campaign. The campaign will see clubs sign up to a pledge to meet criteria which makes the game more inclusive for all. Clubs will be able to achieve bronze, silver or gold status once the relevant criteria are met.

Middlesex FA is committed to ensuring that everyone feels welcome in football, no matter their background or beliefs.

MIDDLESEX FA FOOTBALL SERVICES

The Football Services Team continue to provide a customer-centred approach to administration and deliver a high quality of service to all its stakeholders. The team has undergone significant staffing changes during the season, with four new members of staff in place. All new staff members have transitioned seamlessly into the organisation to continue the strong work set by existing staff and we hope the support they offer in their respective roles is felt by all.

Particular team highlights include the delivery of another hugely successful County Cup final programme, where the team are in the process of delivering 25 finals to an extremely high standard. The Team would like to place on record its thanks to its Cup Final venues this season for being wonderful hosts. These are: Bedfont Sports, CB Hounslow United, North Greenford United, Hanwell Town, Rectory Park, Northwood FC, Uxbridge FC and Silver Jubilee Park.

In addition, the team, led by the DSO, oversaw the passing of a Safeguarding Assessment from the NSPCC, which continues to demonstrate its ongoing commitment to ensuring football in Middlesex is a safe place to play. Further to this, the Safeguarding Team also surpassed its target of club visits during the season, providing further support to its member clubs to ensure Safeguarding standards are maintained throughout the County.

A final highlight would be the implementation of the new Referee Progression Pathway for Match Officials that are willing to progress through the pathway. This has resulted in 44 promotions throughout the season, which provides a significant increase on the previous season. It's hoped that the new scheme will continue to prove beneficial to our Referees, Clubs and Leagues in the seasons to come.

FACILITIES & INVESTMENT

Middlesex FA continues to engage with clubs, councils and other organisations to get them access to Football Foundation Grants and Funding. As we move into phase 2 of the FA and Football Foundation's goal to reach 20,000 good quality pitches by 2030, the 2022 – 23 season saw the introduction of different funds and widening of others that clubs across the county have and continue to benefit from:

- ⊕ Grass Pitch Maintenance Fund - eligibility now includes Town, Parish Councils and Education Establishments supporting community football clubs.
- ⊕ Pitch Machinery
- ⊕ Local Authority Equipment Bank
- ⊕ Energy & Floodlight Fund
- ⊕ Howdens Kitchens Game Changer Programme
- ⊕ Small Grants (up to £25,000)
 - ⊕ Storage Containers
 - ⊕ Portable Floodlights
 - ⊕ Fencing
 - ⊕ Changing Room/Pavilion refurbishments
 - ⊕ Goalposts
 - ⊕ 3G Pitch Machinery

Underpinning the access to grass pitch related grants is Pitchpower. MFA has assisted clubs with gathering the raw data required for these reports to be completed. This software has proven to be invaluable to clubs in terms of having bespoke advice and guidance from the Grounds Management Association. Most notably, an estimated maintenance budget and recommendations for the frequency that works on site should take place. Recognised as an essential part of the game, substantial investment from the Football Foundation will now enable a greater variety of organisations to confidently invest in their grass surfaces.

Middlesex FA has appointed a Facilities and Investment Officer to be a direct avenue of support for those seeking to regenerate their sites and build on the investment into the county this season:

INVESTMENT				
Grass Pitch Investment £234,536	Goalposts £30,027	Machinery £33,335	Floodlights £41,530	Carpet Replacement £99,823

MIDDLESEX FA PARTICIPATION & DEVELOPMENT

Weetabix Wildcats

Nine new providers joined the programme for this season taking the total of active providers delivering Weetabix Wildcats sessions to 40 for the current season.

Although there has been a decline in the number of active centres, a number of the old centres have set up Girls teams and now playing in affiliated leagues.

Squad Girls

The new Squad Girls recreation programme aimed at engaging 12-14-year-olds into football reaches its first year anniversary and there continues to be growth in Middlesex with 23 providers actively delivering.

Women's & Girls' Clubs and Leagues

The number of affiliated teams continues to grow across the women's and girls' pathway, with an increase of 54% on last season.

The Greater London Women's Football League with 46 teams competing across the year in five different divisions went from strength to strength. With the Capital Girls League offering outstanding footballing opportunities for 118 girls teams. Both Leagues continue to play a pivotal part in the growth of the female game across London.

Our small sided offering has been put on pause this season but we will be relaunching the small sided offering in the new season.

**40 Weetabix Wildcats

281 affiliated teams across the female pathway

Walking Football Leagues

2022-23 saw an increase in the number of players and teams registered in the 5 Divisions of Middlesex FA Walking Football Leagues for over 50s and 60s.

The league currently has 34 registered teams with 528 players registered.

This season the County have launched daytime midweek over 65s Festival dates, with 12 new teams playing on a monthly basis.

Since Middlesex FA launched Walking Football in 2014, we now run over 25 sessions on a weekly basis with just under 500 players taking part every week

Flexi-Leagues

This season saw the continuation of the Flexi-League programme at Bannisters Sports Centre and Rectory Park 15 teams competing across the two leagues.

The league provides adults with the opportunity to play 11v11 football for those unable to commit to the regularity of the traditional game.

Disability Football Overview

The Middlesex FA PAN Disability League made it's return for the 22-23 season. We saw the return of clubs and teams from previous seasons, as well as welcoming new clubs such as Basing Hill FC and FC Adaptaball. Ruislip Rangers were selected to represent Middlesex FA in the South East 11v11 regional competition, competing against clubs from other counties across the South East – for many, in their first experience of 11 a side football.

The North West London Mental Health League has once again shown the impact football has on it's participants. Middlesex FA continued its partnership with Orange Ball, to deliver workshops to teams in the league on match days. Our Women's division (which had been set up as a pilot with support from Minds United) has been running with great success, with three teams battling it out for the trophy. The addition of In Tune FC has increased the level of competition across both divisions of the league.

Both leagues were successful this season in achieving England Football Accreditation, which will support the sustainability and development of the league moving forward – with really exciting plans to develop the PAN Disability Youth Division, as well as adding further playing opportunities for those participating in the North West London Mental Health League.

The SEN Schools league has been running weekly at Rectory Park. We have worked with 17 teams from 5 different schools.

UEFA Women's EURO 2022

In the aftermath of the Lionesses successful campaign last summer at the UEFA Women's EURO 2022 tournament, the roll out of the Legacy Programme as excelled, providing a whole host of new opportunities for women and girls to play, coach and referee.

A key focus of the programme has been on the growth of recreational opportunities open to women from historically underrepresented groups. We are pleased to be working with several Clubs and organisations to deliver recreational football for women aged 16+ below:

- ⊕ Acton Ealing Whistlers
- ⊕ Afghan & Central Asian Association
- ⊕ Age UK Hounslow
- ⊕ Brentford Community Sports Trust
- ⊕ Central Mosque of Brent
- ⊕ Neasden Temple
- ⊕ QPR Community Sports Trust
- ⊕ UCFB
- ⊕ University of West London

Contributing to the future success of the WEURO Legacy Programme, it was recently announced that Nike has provided delivery funds towards the EDI work of the Women's Recreation Officers in each host county. Each officer has been awarded with 20k to deliver their individual projects which will be tied in with Level the Playing Field – Nike's campaign about breaking barriers to participation and making sure all under-represented groups have a fair chance to play football.

Middlesex FA will be delivering an inclusion project in the borough of Brent, working with Refugee/Asylum Seeking women and bringing football into Temples and Mosques.
