ACTONIANS LADIES

Managers Notes from Danny Harrigan

The 2020/21 season has probably been the strangest of seasons, having to stop and restart on a number of occasions is never easy. But even with the restrictions in place we still managed to have a successful season. We got off to a good start in our league campaign, remaining unbeaten up until the curtailment of the season which saw us finish in 4th place with a couple of games in hand on the teams around us. We had another good run in the FA Cup, reaching the 1st round and giving a first team debut to the club's youngest ever player showing that we are one club and there is a clear pathway for young players to play in our senior sides.

During the lockdown the players worked hard to remain focused and we always had the hope we would return to competitive football, the County Cup has offered us that opportunity. We successfully navigated our way through the rounds and tonight's Final gives us the opportunity to finish the season on a high and thank the staff, supporters and those behind the scenes at the club who have worked so hard to ensure we got through this challenging season together and we look forward to brighter days ahead.

QUEENS PARK RANGERS WOMEN

Managers Notes from Steve Quashie

In last seasons Capital County Cup competition, we narrowly lost a very competitive Quarter Final fixture in North London.

Following a period of self-reflection; the players expressed their thoughts and feelings, and were determined to improve our record in this prestigious competition.

In this season's competition, we won our first fixture with a thrilling penalty shoot-out being the determining factor. Our post-match celebrations brought jubilation amongst players, staff and our loyal supporters. However, we had to pause our technical programme due to another unusual period.

In line with Government guidance, the club ceased practical coaching sessions throughout the second and third national lockdowns. This resulted with our focus heavily shifting towards supporting the players with position specific training programmes. On our return to football in April we travelled to local neighbours Denham United and produced an excellent team performance in the Quarter Final stage. Three of the goals scored are contenders for our goal of the season!

In the subsequent round we made an away trip across London to face an experienced Dulwich Hamlet side. The R's scored a delightful goal after 8 minutes which seemed to spur our opponents as they equalised several minutes later.

In a very close second period; the R's played with more creativity which led to us scoring the winning goal late in the game.

We relish playing this tough encounter against an experienced and higher ranked team.

Enjoy the game - SQ
