### WE'RE BACK BABY!

Having made the final last year, Springfield have made it back to get their day out!

## Managers Notes from Daniel Somers

We were all pretty upset that we didn't get to play last years Middlesex Cup Final. Being top of the League 2 years in a row and it being cancelled both times wasn't much fun either. Lockdown didn't effect us too bad as half of the team have never had a job and the other half have loved being furloughed.

## Managers Notes from Theo Jones

The first season for us as a Saturday team in Hertford and District Saturday League got off to a slow start with mixed results and performances as a new team. To begin with Covid break in the season didn't help the squad on its journey to finding an on field rhythm and team chemistry but as it went on and rules began to change we were able to find ways to get out as individuals completing tasks set by the coaches against one another which helped build great social connections and get the competitive fire burning within the group. This turned into group bike rides before being able to get back together finally in small training groups.

Since the return of football the group has come on leaps and bounds on the field but also off the pitch too. The on field performances have been fantastic leading to great results and to a solid second place finish in the League and two Cup Finals and one semi final to be played.

We've been pleased to see a new group of young men opening up and creating a safe environment to have conversations about things away from football also which has also helped create a new football family within a news squad in a time it was needed most due to the affects of the pandemic.
