Managers Notes from Gilbaut Batousol

Good evening & thank you for coming down to show support at our Cup Final.

It's been a long and challenging season for football fan's all over the world so it's a pleasure having them back in the stands tonight with a chance of us winning silverware.

The boys have been fantastic recently playing some exciting football along the way, allowing us to get to this stage of the Cup. It's been a long time coming for the club to lift a trophy and this squad has more then enough quality within it to be successful. The chemistry of the players has been key to the success of the team and the hunger to succeed across the board has been shown.

Our opposition tonight have been making progress as a club also and we know that we have to be on our A game to get the desired result. We congratulate them on also reaching the Final and hope the game is an exciting one and a happy memory for all our fans. Once again thank you for coming and let's hope we are celebrating come the final whistle.

ST PANTELEIMON

Managers Notes from George Frangeskou

Preparation for the start of this season and a return to football was met very enthusiastically by the players and coaching staff - one thing we all have in common is a love for this game and the positive journey our football club has taken and continues to strive towards.

Multiple lockdowns, however necessary, have been challenging to manage especially for such a young club.

Having posted a record of going unbeaten for almost two years in the Middlesex County Leagues, we were promoted to the Spartan South Midlands Division One. The challenges we faced from our opponents at this higher step were clearly more testing however our response was emphatic. Our collective faith and togetherness, our purpose to give our all for each other produced a string of performances that saw St Panteleimon FC top the division. A Spartan warrior-like spirit, that of an underdog, saw these players driven to write their own history - the Spartan Crest on our shirt symbolising that spirit. Our 'Nickname' soon followed - The "Saints".

The recent decision by the FA to amalgamate the 2019/20 & 2020/21 seasons has seen our club finish on top of the Spartan South Midlands Division One table and therefore promoted as Champions. In the five years since the formation of St Panteleimon FC, this is now our fourth League Championship title complimented by three Cup Final wins.

We look forward to the Middlesex Premier Cup Final - an esteemed Cup that concludes our season before progressing to pastures new at Step 5 and our first FA CUP experience!
