ONE TAKE

Hampton Terriers have made it to the Final in just their first season of football!

HAMPTON TERRIERS

Managers Notes from Charlie Parmiter

It's been a terrific first season as a club for the Terriers despite the pandemic. Considering we haven't had a single training session, and turn up late every Sunday usually hungover... to get to a Cup Final and only lose 2 competitive games all season is a real testament to the quality in the squad and the team spirit we have. I think opposition teams usually turn up and look at us thinking they are in for an easy Sunday morning. With the state of our warmups... you can understand why. But as soon as the first whistle blows at kick-off, we are as serious as anyone and losing hurts us as much as the next team. From the Terriers, you can expect terrible fitness, questionable decisions but almost moments of real quality. We have surprised a lot of teams this year and will be hoping to do so against the cup holders in the final.

HIGHGATE ALBION 3RDS

Managers Notes from Adam Shahein

Covid has been tough but this Middlesex Cup run has brought the club together and given the players some hope during tough times away from Football.
