## Additional Guidance Notes for Clubs

These Guidance Notes should be read in conjunction with those Rules and have been prepared to assist you.

### Club Notes

- No match shall be allowed to start later than 30 minutes after the designated kick off time.

**Please refer to the current legislation and/or guidance issued by the Government, Public Health England and/or The Football Association in relation to Covid-19. It is possible that under legislation, changing facilities may not be available and so please check with home club before travelling. It is a requirement to provide male and female toilet facilities before, during and after the match.**

- Artificial Turf pitches are allowed provided they comply with the criteria as set out in the Rules and the Ground Grading criteria.

- *No player can play in a shirt colour which is likely to cause confusion with the Referee's kit and where there is a clash between the two competing teams the Away team must change except in the final when both teams must change.*
- *Sin Bins apply in all sections of the competition EXCEPT for the Senior Youth Cup in accordance with the Laws of the Game.*
- *Players cannot play for more than one competing team in the Competition during any one playing season.*
- *The Home Club must inform the Away Club and Referee and Assistants, where relevant, of all necessary match details at least 10 days before the date of the match. The Away club must acknowledge receipt of the match details within two days of such receipt.*
- *Clubs must **email the PDF Team Sheet** to be received within five (5) working days from the date of the tie. Clubs that give a Referee a mark of 60 or below must include an explanation as to why.*
- *Both Home and Away Clubs are required to text in the result (including details of postponements or abandonments) by no later than 12 noon on the day following the match. See Full-Time guidance below for further information.*
- *The Home team will be responsible for covering the cost of the ground but both the Home and Away teams shall share equally the cost of the Match Officials' expenses.*
- *Where a Referee fails to attend the match the teams **MUST** agree on a Referee.*
- *Both teams should have their own Assistant Referee Flags. Where club Assistant Referees are being used each team should use their own flags. There should be no sharing of equipment.*

## **Full-Time system**

*The Competitions will be administered using The FA's Full-Time system.*

### **Email Notifications**

*One of the key aspects to Full-Time is that it provides Associations with the facility to have fixtures and referee appointments automatically emailed to clubs and referees on a "need to know" basis. MFA will send the emails when the fixtures and/or appointments are created or adjusted and as a reminder closer to match time.*

*Club Secretaries have been set up as the contact to receive the automatic email notification. However, each Club may login to Whole Game System and either replace the "Team Full-Time Email Contact" or add further contacts (e.g. if you want the team managers to receive emails as well as the Club Secretary). MFA recommend the second option as the Club Secretary should still ensure they receive the email notifications as well. There is no limit to the number of Team Full-Time Email Contacts that can be set up for each team.*

### **SMS Text Messages – Reporting Results**

*Another key aspect is that this system provides Associations with the facility to have results sent in by SMS Text Message from Clubs. These will be published immediately on the County website. Full-Time sends the SMS prompts and receives results from both the home and away teams. Please note that Full-Time displays the latest score that it has received so if you make a mistake with the result you can text it in again.*

*The format of the text message you will receive is as below. Please note CHED and ARSD is the short code for the teams, which is important when you are texting in more than one result.*

*FA Full-Time Results: CHED v ARSD, Sun 12 Feb 14:15. Reply with H-A score & Code CHED, followed by Pens if required: e.g. CHED 3-3 3-1 PENS*

*The Team Administrator may therefore be required to send back up to four pieces of information:*

- 1. Score – the score after normal time in the usual way.*
- 2. Short Code (for your team) – if required to submit a short code this identifies which team are involved.*
- 3. Penalty Score – the score after penalties, followed by PEN (it is essential that PEN is included, to identify the scores beforehand applies to penalties).*

*Examples:*

*All of the following examples assume that no team code is required:*

**2-1** Reports that the home team won 2-1 in normal time

**2-2 4-3 PENS** Reports that the home team won 4-3 after penalties; the game having finished 2-2 at the end of normal time, with no extra time played.

*The SMS contact will automatically be selected as the Club Secretary (assuming you have provided a mobile contact number. **Please note that only one SMS user may be used for each team.** If your League is using Full-Time it will not affect any of the details you have set up with your League.*
