We have given Officers', Councillors' and Committee members' business, mobile and FAX numbers, where they are available. However, please use daytime numbers only in emergency except and only where it is indicated that telephone contact can be made during the day.

It should be remembered that ALL Directors, Officers, Councillors and Committee members work for the Association on an honorary basis and may have regular daytime (or in some cases, shift work) employment. In the first instance, please try the Office!

When telephoning during the evenings, please remember that you may not be able to make immediate contact as all Directors, Officers, Councillors and Committee members have regular meeting commitments.

Please be courteous if leaving messages with families or on answer-phones, your call will be returned as soon as possible. Times when telephone contact can be made are shown in italics in the appropriate entry. If not shown, assume evening contact only during 7.00 pm to 10.00 pm.
