SAFEGUARDING CHILDREN POLICY AND PROCEDURES: TEMPLATES

FOR CLUBS WITH YOUTH TEAMS & YOUTH LEAGUES

Version: 1.3
Published: JULY 2020

FOR ALL

HOW TO USE THESE POLICY TEMPLATES

These policy templates allow you to add your club or youth league name to the relevant sections. It is important that the policy is discussed and understood by the relevant committee. Each club and youth league needs to be clear about its responsibilities and ensure that it adheres to the policy in full (in addition to The FA's Safeguarding Regulations). Having a proactive Welfare Officer in post will provide a key point of contact and help to embed an effective safeguarding children policy.

The FA recognises that clubs come in many shapes and sizes made up of a variety of age groups which can change each season. These templates have been developed to support youth leagues and clubs that involve children and young people; defined as those under 18 years of age.

- **Template 1.4A is for clubs with youth teams;**
- **Template 1.4B is for Open-Age Adult Teams:** this includes those clubs who run youth teams and open age adult teams as well as clubs who exclusively offer youth football only;
- **Template 1.4C is for youth leagues.**

Please remember that your County FA Designated Safeguarding Officer can offer further support and advice if required.

The templates in this document are all available in editable formats for you to configure to your club/league. See downloads 1.4A, 1.4B and 1.4C

FOOTBALL CLUB SAFEGUARDING CHILDREN POLICY

- Football Club acknowledges its responsibility to safeguard the welfare of every child and young person directly connected with the club and is committed to providing a safe environment for all. We recognise that those aged 16/17 years-of-age are legally defined as children and therefore we have a responsibility to ensure appropriate safeguards are in place. As such we subscribe to The Football Association's (The FA) Safeguarding Children Policy and Procedures.

Football Club endorses and adopts the following key safeguarding principles:

 - The child's welfare is, and must always be, the paramount consideration;
 - All children and young people have a right to be protected from abuse regardless of their; age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, colour, religion or belief, ability or disability, pregnancy and maternity;
 - All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately; and
 - Working in partnership with other organisations, children and young people and their parents/carers is essential. We acknowledge that every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from poor practice and abuse.

Football Club recognises that this is the responsibility of every adult involved in our club.
- Football Club has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The FA's Safeguarding Children Regulations (see The FA Handbook [TheFA.com/football-rules-governance/lawsandrules/fa-handbook](https://www.thefa.com/football-rules-governance/lawsandrules/fa-handbook)) apply to everyone in football whether in a paid or voluntary capacity, including coaches/managers, volunteers, match officials, helpers on club tours, or medical staff or other club officials/helpers.
- We endorse and adopt The FA's Safer Recruitment guidelines and we will:

 - Specify what the role is and what tasks it involves;
 - Request identification documents;
 - As a minimum meet and chat with the applicant(s) and where possible interview people before appointing them;
 - Ask for and follow up with two references before appointing someone; and
 - Where eligible require an FA-accepted DBS enhanced with barred list Check, in line with The FA's current Safeguarding Children Policy and Regulations.

All current

Football Club members working in eligible roles with children and young people, such as coaches/managers and physiotherapists, are required to hold an in-date FA accepted DBS enhanced with barred list check as part of safer recruitment practice.

1.4B CONTINUED

It is noted and accepted that The FA will consider the relevance and significance of the information obtained via the DBS Process and that all suitability decisions will be made in accordance with legislation and in the best interests of children and young people.

If there are concerns regarding the appropriateness of a club official who is already involved or who has approached us to become part of

Football Club, guidance will be sought from the County FA.

It is accepted that The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of 'grooming' within football.

4. Football Club supports The FA's Whistle Blowing policy (as described in this paragraph), which requires any adult or young person with concerns about an adult in a position of trust within football can 'whistle blow' by contacting The FA Safeguarding Team on **0800 169 1863**, by writing to The FA Case Manager at The Football Association, Wembley Stadium, PO Box 1966, London SW1P 9EQ, by emailing Safeguarding@TheFA.com or alternatively by going direct to the Police, Children's Social Care or the NSPCC.

Football Club encourages everyone to know about The FA's Whistle Blowing Policy and to utilise it if necessary.

5. We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable at our club. If bullying does occur, all players or parents/carers should be able to access our anti-bullying policy and know that incidents will be dealt with appropriately. Incidents need to be reported in accordance with paragraph 6 below. In cases of serious bullying the CFA Designated Safeguarding Officer may be contacted.
6. In this Club, Safeguarding is everyone's responsibility, and we know that inaction is not an option and if anyone is worried about a child it is important that they report their concerns to the Club Welfare Officer (if there is one) or a member of the Club committee, who will deal with reported concerns as follows:
 - i. The Club Welfare Officer (if there is one) ("CWO") or a member of the Club committee will manage poor practice and where necessary seek advice from the County FA Designated Safeguarding Officer (CFA DSO).
 - ii. The CWO or a member of the Club committee will make referrals about more serious concerns to the CFA DSO, or in an emergency contact the Police or Children's Social Care.
 - iii. We will ensure that if the child needs immediate medical treatment that we take them to a hospital or call an ambulance and tell them it is a child protection concern.

1.4B CONTINUED

- iv. The CWO or a member of the Club committee will keep records of the actions taken and keep the County FA Designated Safeguarding Officer (CFA DSO) informed.
- v. If the CWO or a member of the Club committee is not available at any time, or the matter is clearly serious, all our members should be aware that they can:
- Contact the CFA DSO directly;
 - Contact The FA's Safeguarding Team on **0800 169 1863** or Safeguarding@TheFA.com;
 - Contact the Police or Children's Social Care; and/or
 - Call the NSPCC 24-hour Helpline for advice on **0808 800 5000** or text **88858** or email help@nspcc.org.uk

Football Club Committee understands and accepts our collective responsibility to adhere to our safeguarding children policy and procedures. We commit to ensuring our members are aware of and have access to our policies.
