WOMEN'S FOOTBALL

Founded on the 17th September 1972 as the
HOUNSLOW & DISTRICT LADIES FOOTBALL LEAGUE.

The league kicked off with just **14 teams** &
300 players registered

The divisions were split & named A&B.

**Today, there are over 50 teams across six
divisions & over 1800 registered players.**

The likes of Watford, Tottenham, Luton, Fulham &
Charlton were all playing in a league that covered the
WHOLE of South East of England, even though
these are clubs we recognise today, back then they
had **No connection with the teams today.**
Eventually, these clubs & more would join the league,
making history with players going on to play for the
National Team.

It would also be **10 YEARS** on before the name of the
league was changed to what we know of it today

OVER THE PAST

50
YEARS

WE HAVE SEEN

- **Players selected for the National England Squad**
- **A team winning the Women's FA Cup in 91**
- **Famous Faces, One famous Spurs player was part of the league committee, Steve Perryman was made president of the league in 75 / 76**

The league has played an important part in assisting with the growth of the women's game & we owe a huge thanks to everyone past & present. This includes Committee Members, Club Officials, Players, Match Officials & all the Volunteers who have put in many hours of service each week, month & season to help create the successful league we see today. We could not have done this without ALL OF YOU.

THANK YOU

We want to continue to celebrate & ask our current & past clubs to get in contact with us to share their memories & stories.

Look back into that trophy cabinet (*if you have one*), or reconnect with old friends who may have introduced you to the club, Finally check those old boxes in the loft & reach in for those embarrassing photos.

If you have images or memories of your team that date back across the **70s, 80s, 90s, 00, 10 and 20s**, then please send them to the

GENERAL SECRETARY : glwfl.gensec@gmail.com
