Vertical tine aeration (Verti-drain)

Deep tine aeration up to 12", helping with drainage, movement of surface water and air flow around the bottom of the roots, improving the depth and strength of the plant.

- 11v11 - £400
- 9v9 - £350
- 7v7/5v5 - £300

Application of top dressing (additional £100 for every 20 tonnes spread)

This does not include top dressing, however we can quote for this depending on requirements. We recommend a minimum of 40 tonnes spread on a full size pitch working upwards to 100 tonnes where financially possible. Prices are for spreading 40 tonnes.

- 11v11 - £500
- 9v9 - £400
- 7v7/5v5 - £350

Overseeding

Disk seeding in 3 directions, with extra passes where required in high use areas. This does not include seed however happy to discuss over the phone, we recommend a minimum of 12 bags for a full size pitch.

- 11v11 - £450
- 9v9 - £350
- 7v7/5v5 - £250

Linear decompaction (Shockwave)

Another form of deep aeration designed to revitalise heavy wear areas by relieving soil compaction, improving aeration and removing surface water.

- 11v11 - £400
- 9v9 - £350
- 7v7/5v5 - £300

Big match Preparation

To ensure the pitch is looking pristine and is at its best for big occasions, it will be cut by hand in two different directions, creating a checkerboard pattern. This will be finished off with a double mark.

- 11v11 - £250
- 9v9 - £200
- 7v7/5v5 - £200

End of season renovations

Greenblades can offer end of season renovations that can include all of the above and more, please call if you have any queries regarding this.

- 11v11 - POA
- 9v9 - POA
- 7v7/5v5 - POA

Full maintenance programmes

Greenblades can offer full pitch maintenance programmes that include cutting, marking, aeration, fertilising and end of season renovations. These programs will be tailored to the requirements and budgets of each club, together we can then come up with a plan to improve the playing surface.

- 11v11 - from £600 per month
- 9v9 - from £450 per month
- 7v7/5v5 - from £350 per month

Drainage

Following a site visit to determine what is required, a tailored quote will be provided recommending the plan of First and/or Secondary drainage systems.

Irrigation

Similar to drainage, following a site visit from an experienced technician, a tailored quote will be provided offering a range of systems to best suit your needs.
