## MEET THE

# OFFICIALS

### Fadi Mansour

#### Referee

I have been refereeing for over 10 years now and I have had many highlights in recent times. Refereeing the FA Sunday Cup Quarter Final, and being able to act a Fourth Official on the National League have been an addition to my highlights this season. Outside of football I work in the pharmaceutical industry in project management, which compliments my refereeing really well.

### Dani Mansour

#### Assistant Referee

I started refereeing when I was 14 years old, so going 11 years strong so far. While officiating on Saturdays and some weekdays, I work in nightlife in Mayfair.

### Robert Alderton

#### Assistant Referee

I'm currently a Level 4 Referee operating on the Combined Counties Football League as a Referee.

### Thomas Healy

#### Fourth Official

I grew up in North West London with my parents and two brothers, I am currently working as a trains manager on the London Underground, managing train operators and running a (cough) reliable service. I feel very lucky to have a few refereeing highlights to date, which include assisting former Premier League Referees Howard Webb and Mark Halsey on two separate occasions, each time at our national stadium - Wembley.

I was also delighted to be invited to the Middlesex FA Referee's Academy - which provides an excellent circle of support of aspiring referees and a wealth of knowledge from the experience of the referee's that organise and run the Academy.

Representing today's team of officials will also be added, to what I consider a refereeing highlight of mine - adding to my previous collection of finals.

I have an immense passion for sport, and in particular football. I would like to thank everyone who has helped and guided me along my refereeing career to date, most notably Chris Hartley, Liam Walshe, Ray Herb, every Middlesex FA representative and referee I've ever met and worked with, and last but by far from least, Michael Heavey.

Played professionally for Brentford and in recent years helped Wealdstone to the National League South title. In his time at United he has scored four goals in a game on three occasions, totalling 67 goals from just 89 appearances.

## THOUGHTS FROM THE DUGOUT

I'm writing at the end of a very demanding season for many different reasons. As the schedule sits, we have 4 games this week with a trip to Tiverton in 24 hours. I have a huge respect for all the non-league managers, players and volunteers but this schedule has puzzled me and I cannot see how it's been agreed. Despite major concerns, we're here however preceding results will influence how we approach this final. It's a huge achievement for both teams to make the final given the competition in Middlesex. I'd also like to say a thank you to our away support they've been magnificent, and it hasn't gone unnoticed by players and management. The boys have dug really deep to keep us in touch with the play offs and to reach a final, I think we can all be very proud of them this season. It's been a big effort. Congratulations to Steve Baker and Harrow Borough also, may the best team win.

## ACTION REPLAY

# RAYNERS LANE WIN THE MIDDLESEX PREMIER CUP

**JIM TAYLOR**

The Middlesex FA Premier Cup final was contested on the evening of Wednesday, 5th April, at Bedfont Sports FC, between Rayners Lane and British Airways. Both of these clubs currently play at non-league step 6, in Division One of the Combined Counties League. Rayners Lane FC were formed in 1933 while British Airways started as the BOAC Speedbird Club in 1947.

The Middlesex Premier Cup was first competed for in the 1980-81 season, when it was won by Yeading FC, who were then members of the Middlesex League.

18 teams entered the competition for the current season. Rayners Lane and British Airways both received a bye in round 1.

British Airways reached the final by beating the holders, FC Deportivo Galicia 3-2 (at home) in round 2, Brook House 4-0 (away) in the quarter-final and Uxbridge U23 team (away) in a penalty shoot-out, following a 1-1 draw.

Rayners Lane had played all of their matches at home and had beaten Rising Ballers Kensington 3-0, Hillingdon Borough 4-1 and Enfield Borough 3-0.

Rayners Lane took the initiative early on and were 2-0 ahead by the 17th minute of the game. There was no further scoring and the game became scrappy during the second half.

Jake Tabor hit the ball into the side netting of the British Airways goal in the first minute. Rayners Lane kept up the pressure and Robert Magwood headed over the bar from a corner.

Rayners Lane took the lead in the 14th minute. Ollie Lawford made a run up the wing and squared the ball to Jake Tabor, who shot on the turn into the corner of the net.

Jake scored his and Rayners Lane's second goal just 3 minutes later. He went on a run, cut in and fired the ball into the roof of the net.

BA keeper, Ben Clargo, punched away Jake's in-swinging corner.

Then Jake connected with Ollie Lawford's ball into the box but Ben saved from close range.

British Airways got into the match. Rayners Lane goalkeeper, Charlie Patmore left his penalty area to head away from striker, Edward Clements.

Charlie then saved a bullet header from BA defender, McCauley Wheatley, who had advanced up-field for a corner.

James Barnett had two scoring attempts for BA. He fired wide and then his low shot was saved.

Rayners Lane's Ian Vangu was fouled in a wide position just outside the BA box. Ben Clargo knocked down the resulting well struck free kick from Jake Tabor.

Jake Tabor was prominent in a series of Rayners Lane attacks. He released Sidney Gueye through the middle and the latter forced a corner, despite overhitting his final touch. Ben Clargo took a long ball off Jake's head. Then Jake's run through the middle was halted by a timely tackle by Louis Spearing.

As the second half progressed, the standard of football deteriorated and the match became increasingly scrappy, with play being frequently stopped for various reasons. Referee Conor Griffin had to administer several warnings and eventually cautioned 6 players, 3 from each side.

British Airways made the first of their permitted substitutions in the 63rd minute and the fifth and final one in the 77th minute. Rayners Lane then followed with four substitutions, starting in the 83rd minute.

In the 65th minute, Ben Clargo brought down Sidney Gueye, just outside his penalty area and received a yellow card. Jake Tabor hit the freekick over the crossbar.

A long-range swirling freekick by BA's Harry Tubb was kept out, with some difficulty, by Charlie Patmore.

A good move by BA, their best of the game, involving several players, ended with Tyler Hayles shooting wide.

Sidney Gueye then headed a cross from Ade Adewale against a BA goalpost.

A good advantage played by the referee allowed Rayners Lane substitute, Archie Oates to ride a foul and progress into the penalty area, where his final touch let him down.
