BESPOKE CLUB AND LEAGUE SUPPORT

Norfolk FA are looking to work with our Accredited Clubs and Leagues to create bespoke support that will raise the standards of the football environment, upskill the voluntary workforce and enable Leagues to deliver a wide range of provisions.

Accredited and Leagues can "build your own" support workshop that will be delivered by Norfolk FA staff, National FA staff and external professionals to as little or as many volunteers/parents/players within your club or league as necessary. We will work with you to build the content on one or more topics to be delivered at a time that suits you.

Some topics that you may want to consider are:

- Social media and Marketing
- Administration support (Full Time, Whole Game, Accreditation)
- Club committee role support (succession planning, committee members CPD)
- Sideline behaviour (management and spectators)
- Safeguarding children workshop (not a substitute for FA course)
- Laws of the game (suitable for volunteer referees)
- Discipline support (Through the Eyes of the Referee)
- Inclusion, Equality, and Diversity
- Volunteer recruitment
- Finances
- Funding opportunities
- Legal Structures
- Coaching CPD
- Club development and growth
- Facility and pitch improvement

Accredited Clubs and Leagues are entitled to one FREE session per season. Additional sessions will be priced accordingly.
