

ADULT SATURDAY LEAGUE

CONTEXT:

13 February 2018, Norfolk County FA held a Adult League Forum. A number of challenges within Adult Saturday League Football were discussed, one of which was the structure with the solution being to review and potentially explore a single pyramid system incorporating both county and district provision.

5 April 2018, Adult Saturday Leagues reconvened to discuss alongside Norfolk FA two Adult Saturday League potential structures for the 2019/20 season. Pros and cons were discussed on each option and all strongly believed Option 2 was the better option for the good of Adult Saturday League Football.

Please note, two versions of Option 2 are included, which reflect the conversations had between the Adult Saturday Leagues on 5 April 2018.

For your information, you will find both options that were presented on the evening of 5 April in the attachment named 'Original Options – 5 April Meeting'.

FOR over 150 years, we've said we're for the success of football irrespective of class or creed. And we'd like to update that by adding: regardless of gender, sexuality, ethnicity, ability or disability too. Football is a game for all. No matter how good you are. Or aren't. The FA has created leagues for the blind, deaf, amputees, wheelchair users and for those of us with cerebral palsy. We've made all the latest coaching ideas available online. We've introduced FA Girls' Football Week and created a competition open to everyone in the country. It's called The FA People's Cup because it's for the people. All of the people. We are building 100s 3G pitches around the country. And on our website you can find the nearest team or pitch to you. So, if you want to take part, The FA can help you. Because, how can we be guardians of the national game, if we exclude anyone? The FA. Not just for the few. We are for

ALL
