

Norfolk County FA Bulletin

April 2021

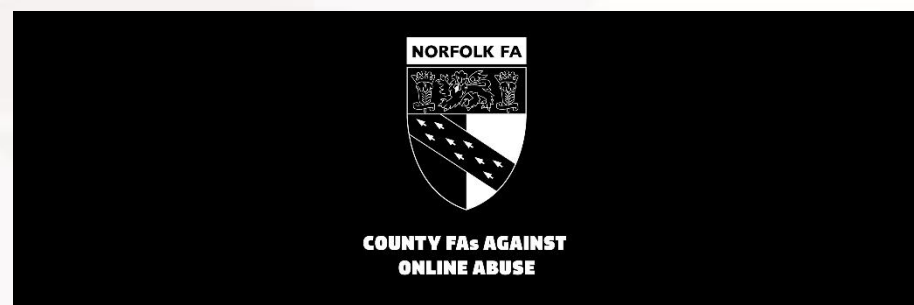

WELCOME

Welcome to the latest edition of the Norfolk County FA bulletin and the fourth of 2021. As always, we aim to provide you with all the latest information as grassroots football continues to be played across the County.

NORFOLK FA JOINS SOCIAL MEDIA BOYCOTT

Norfolk FA will join The FA, Premier League, EFL, PFA, and other football bodies, in uniting for a social media boycott from 3pm on Friday 30 April to 11.59pm on Monday 3 May.

The boycott is in response to the ongoing and sustained discriminatory abuse received online by players and many others connected to football and has been scheduled to take place across a full fixture programme.

It will see clubs across the Premier League, EFL, Barclays FA Women's Super League and Women's Championship switch off their Facebook, Twitter and Instagram accounts and we encourage the grassroots community to join in too.

Norfolk FA's Chief Executive, Gavin Lemmon:
"Discriminatory abuse has no place in society and football needs to lead the way in eradicating it. This temporary boycott is just the start of the journey to achieve a sport that is free of discrimination and hopefully social media companies implement stricter policies and punishments for the guilty parties."

"At a local level, we are asking all of our leagues and clubs to join the boycott and show unity along with the rest of English football that discrimination of any form will not be accepted in our game."

CONTACTING NORFOLK FA

All social media accounts operated by Norfolk FA will be inactive during the boycott, this includes the social media accounts for the FDC, theFDC@OpenAcademy and theFDC@Flegg.

Phonelines will be open on Saturday morning between 9am – 12pm with staff available to speak to, as well as various inboxes being monitored throughout the period.

For urgent matters, please email info@NorfolkFA.com.

THE FA PROVIDES UPDATE ON GRASSROOTS FOOTBALL

The FA's guidance has been updated to reflect the changes to national restrictions from Monday 12 April.

The key changes to note are in relation to spectators, use of changing rooms and outdoor hospitality.

It's extremely important that clubs, players, coaches, match officials, league officials, volunteers, parents, carers, and facility providers continue to strictly follow both the UK Government's latest guidance on COVID-19 and respective bespoke guidance documents from The FA.

FOOTBALL SURVIVAL PACKAGE – SUMMER 2021

Part of the Government's £600m Sport Survival Package, the Football Survival Package - Summer 2021 is a fund that aims to further support clubs at Step 3-6 of the NLS.

Following on from the successful Winter programme run earlier this year, the Survival Package will provide additional support in response to each club's financial need to survive until the start of next season, but won't replace all lost revenue or profits over the last 12 months.

The objective is to ensure football clubs survive the summer period and minimise the long-term damage to participation as they prepare for the 2021/22 season.

“FOOTBALL WELCOMES” IN NORFOLK

Norfolk County FA is joining footballing communities across the country this month to welcome refugees and people seeking asylum, as part of [Amnesty International's Football Welcomes](#) campaign.

The campaign, which is now in its fifth year celebrates the contribution players from a refugee background make to the game. It also highlights the role football can play in bringing people together and creating welcoming communities for refugees and people seeking asylum.

As part of this month's celebrations we want to celebrate and promote the great work [New Routes](#) does in support of refugees and asylum seekers in and around Norwich.
