

MATCHES OFFICATED IN THE 2022/23 SEASON

**NORFOLK
FOOTBALL**

For the 2022/23 Season we will be recognising your commitment to Refereeing by awarding individuals certificates based on the number of matches you are involved in as a Norfolk FA Match Official.

For every game you complete as a referee or assistant referee at any level will count towards your total and the games do not have to be appointed by Norfolk County FA. Only 5 pre-season friendlies can count towards your total. If you are a match observer, match day coach or mentor you can also count these games towards your total.

The dates will run from July 1st 2022 to May 31st 2023.

Once the season is complete, you will have to send your completed form to Harvey.Newstead@NorfolkFA.com by 9am on Monday 12th June 2023.

The thresholds for certificates are as follows:

Bronze = 30 matches

Silver = 50 matches

Gold = 70 matches

Platinum = 90 matches
