PLAYERS

Do you have enough players to start a team? Do you have a club name? The name you select should be unique to the individual club; The Northamptonshire FA will not permit a club to use the same or similar name as another club that is already affiliated, as this may lead to confusion.

VOLUNTEERS

Do you have enough volunteers to cover club organisation and administration? For a committee, you will need a minimum of a Chairman, Secretary and Treasurer. If it's a Youth Club(U18sandbelow),then a Welfare Officer must also be in place. Visit the Northamptonshire FA website www.northamptonshirefa.com for information on club rules ,codes of conduct and safeguarding/welfare. Please make use of the downloads available to you. All volunteers who have direct access to youth players must have an in-date and valid FA Criminal Records Check (CRC/DBS).

BANK ACCOUNT

A club with more than one team will require a club bank account. This will need to be in the club's name and have a minimum of two signatories – one of which must be the treasurer of the club.

LEAGUES

You will need to apply for a place in a league before you affiliate to a County FA. There are a number of leagues in the county offering football in all forms, including youth, adult, female and veterans. For more details, please visit the following link: www.northamptonshirefa.com/leagues-and-clubs/county-leagues

COSTS

Before you affiliate to a County FA or league, it is advisable that you create a list of costs that will help you budget for fees, e.g. for affiliation and pitch hire that's paid out at the beginning of the season. The main income for clubs at the start is from subscriptions and membership fees.

FACILITY

Before applying to a league you may need to have a home ground. Without this you may not be able to register in a league. This can be a local authority or a school pitch if you don't have access to a privately owned one.

AFFILIATION

All affiliation forms can be downloaded from the Northamptonshire FA website (www.NorthamptonshireFA.com) or requested from the Governance Team at the County FA offices. As part of your affiliation to the CFA, you get public liability insurance plus player personal insurance. If there is a County Cup competition for your age group, you may want to enter it. Allocation of County Cups within the open age bracket is dependent on what division your team plays in.

KIT AND EQUIPMENT

Before the start of the season, you will need to purchase suitable kit and equipment. The necessary equipment will include a football playing strip, first aid kit, corner flags, balls and nets. There may be more as if your league is a RESPECT league, clubs will be expected to have designated spectator areas. Clubs should avoid the use of black kits as these will clash with appointed referees (check league rules).

FUNDING AND FUNDRAISING

It will be important to raise funds quickly to cover the essential expenditure, such as affiliation fees, league membership fee, pitch hire charges and kit. The treasurer will need to keep an accurate account of income and expenditure and feedback to the club committee at the general meeting. Funds can be raised by accessing numerous grants and funding schemes and for more information about those, please visit www.northamptonshirefa.com/leagues-and-clubs/finance/grants-and-funding

WORKFORCE DEVELOPMENT

Essential information about volunteer recruitment can be found in the Safeguarding and Welfare page of the Northamptonshire FA website. This page can be accessed via www.northamptonshirefa.com/about/rules-and-regulations/safeguarding-and-welfare. The club will then need to get qualified volunteers on board. FA ACCREDITATION

England Football Accreditation is the new framework for Club and League accreditation and replaces FA Charter Standard. England Football Accreditation helps clubs and leagues create the experiences and environments where players, coaches, officials, referees, volunteers, and spectators can thrive. Accreditation is a clear signal to your community that you value the importance of being an accessible, safe, and sustainable club or league. England Football Accreditation is automatically awarded to all clubs and leagues that previously held FA Charter Standard.

SETTING UP A CLUB SAFEGUARDING ESSENTIAL

Safeguarding remains high on The FA's agenda; the goal being to have someone at every club in the country aware of child protection and best practice, whether it's a Premier League Academy or a Sunday morning park side. It's about allowing children to enjoy the game without abuse of any kind.

A child is someone who has not yet reached their 18th birthday. Once they turn 18, they are legally an adult.

- Football clubs should always ask parents/carers if it's ok for their children to get involved in football activity.
- 16-17 year olds will usually be asked to make their own decision about getting involved (self-consent). In some exceptional circumstances parents/carers may also be asked.

Children have the right:

- To feel safe both online and offline;
- To healthy relationships and appropriate boundaries;
- Not to be bullied, harassed or intimidated;
- Not to feel uncomfortable or unsafe;
- Not to be discriminated against because of your age, gender, gender reassignment, ethnicity, sexual orientation, marital status or civil partnership, faith, ability or disability, pregnancy and maternity.

The UK signed the United Nations Convention on the Rights of the Child in 1990. The Convention sets out the rights of every child in the world to: survive, grow, participate and fulfil their potential. It sets standards for education, healthcare, social services and penal laws. It also establishes the right of children to have a say in decisions that affect them.

The FA believes football can have a powerful, positive influence on children but that means everyone involved in football must take on the responsibility of looking after those children that want to play the game.

If you have any queries or concerns regarding safeguarding issues, please contact a member of our safeguarding team on safeguarding@northantsfa.com

CRIMINAL RECORD

CHECKS (CRC/DBS)

As part of The FA's safeguarding children strategy, those working in eligible roles with children and young people are required to pass a criminal records check. This is inline with legislation and government guidance and is standard practice.

The majority of checks are processed electronically, ensuring that people can be confirmed to work with children and young people swiftly. Where the check highlights relevant information, this is investigated further and a risk assessment is carried out to establish whether or not they will be accepted to work with children and young people in football.

Eligibility is governed by legislation and government guidance. In brief this means anyone aged 16 years or over who undertakes any unsupervised roles with children and young people under the age of 18 is required to pass a CRC/DBS.
