

Developing Disability Football throughout North Riding

Measuring the impact of activity is an essential element of our beautiful game. This ensures that we have a solid understanding as to how many people are involved in football and where they are participating.

The Game On Disability membership scheme offers support for any organisation delivering disability football and sets out to ensure that all types and levels of football take place under an overarching set of Laws, Rules and Standards. In order to safeguard everyone involved it is necessary that partners 'affiliate' their activity with the North Riding County Football Association.

### **Benefits of Membership**

1. Recognition from the players/participants that the activity is taking place under the protection of the National Governing Body for Football. This will assist in the promotion and recruitment of participants.
2. If there is competition element to your activity, membership will provide an additional safeguard to players and officials.
3. Access to FA Qualified Referees. FA Qualified Referees are only permitted to officiate in affiliated football and any insurance they carry is not applicable in unaffiliated competitions.
4. Only affiliated competitions are in a position to recruit additional referees through running the FA Small Sided Referees Qualification
5. Affiliated competitions have the opportunity to post their results on 'Full Time' at FA.com - the Football Association's official website.

### **Further Benefits of the Game On Disability Membership Scheme**

- ▶ Access to funding programmes to increase participation levels
- ▶ Dedicated support from North Riding County FA Football Development Officers
- ▶ Subsidised Coach Education and training events for members working in Disability Football
- ▶ Visits to clubs from expert coaches to support player development
- ▶ Club member welfare support and DBS record checking
- ▶ National and Regional awards programme
