Nottinghamshire FA County Cup Rules & Regulations 2022-23

the date of the match. These details must then be acknowledged by both parties. Teams are advised that although the electronic interchange of information is deemed an acceptable means of notification, receipt of such communications is not always guaranteed. It is recommended that all e-mails are accompanied by a request for a 'read receipt'.

- c. If the ground of the first-drawn team is unavailable it will be their responsibility to provide an alternative venue so the tie can be played on the date as advised; this is to include the opposition facility if available. The alternate venue must be accepted by the NFACG.
- d. All Saturday Senior Challenge Cup ties up to the final must be played in the mid-week. This must be the mid-week preceding or the mid-week following the original scheduled date. The day/date on which the mid-week tie is to be played must be mutually agreed by both teams and match official(s) and the NFACG must notified of such in writing by emailing cupcompetitions@nottinghamshirefa.com
- e. Exceptionally, there may be occasions where teams are unable to fulfil a fixture in accordance with the terms of Rule 6(c) above. This will usually be where a team has a commitment to participate in a more senior competition. (See also Rule 20). On such occasions the NFACG has no objection to teams mutually agreeing a prior date as soon as they are notified of the fixture. Teams agreeing a date after the scheduled draw are required to take note of the date of the next round of the competition. The first-drawn team has the option to play the fixture on their normal mid-week fixture night if all parties agree.
- f. No game may be postponed for more than two weeks from the original set date due to an unfit pitch – in these circumstances the tie will be switched to the away team's ground unless this proves unplayable. In the situation of both teams' pitches being unplayable the first-drawn team will be required to provide an alternative venue. Failure to do so may result in a fine and their expulsion from the competition. The alternate venue must be deemed acceptable by the NFACG.
- g. When a match has been postponed or abandoned and neither team being at fault, it must be played on the ground of the first-drawn team within seven days following the original fixture date, unless otherwise decided by the NFACG.
- h. Where a match is abandoned due to proven misconduct by one of the competing teams or its supporters, that team will be removed from the competition and may be liable to further sanctions (possible fine), and its opponents awarded the tie. If both teams are found proven responsible for the abandonment of the fixture then the result of the game will be expunged and both teams removed from the competition and may be liable to further sanctions (possible fine), this is relevant at all stages of the competition including the final.
- i. Where a match is postponed due to a late kick-off caused by one of the teams, the match will be replayed on a ground chosen by the team deemed to be the innocent party. Should both teams be deemed equally responsible for the late kick-off, then the tie must be played on the ground of the first-named team within seven days. The alternate venue must be deemed acceptable by the NFACG.
