OXFORDSHIRE FA COUNTY CUP BYE-LAWS

SEASON 2023 / 24

GENERAL BYE-LAWS FOR ALL OXFORDSHIRE FA COMPETITIONS

PLEASE NOTE THAT THESE ONLY APPLY TO COUNTY CUPS AND NOT TO LEAGUE COMPETITIONS

1. CUP OWNERSHIP AND ELIGIBILITY OF ENTRY

1A. The Senior Cup, Intermediate Cup, Charity Cup, John Fathers Junior Shield, Sam Waters Cup, Patrick O’Flanagan Veterans Cup, Youth Cups, Women’s Cup and Girl’s Cups are the property of Oxfordshire FA.

They will be competed for annually by clubs affiliated to the Association and shall not become the absolute property of any club. The entire control and management of these Competitions shall be vested in the County FA.

Oxfordshire FA affiliated clubs are able to enter each County Cup competition they have a team qualified for although this is not mandatory. Clubs affiliated to other County FAs must obtain dual affiliation with Oxfordshire FA in order to participate.

Youth teams participating in multi-county FA affiliated leagues are not permitted to play in Oxfordshire FA Cup competitions unless authorised to do so by the County FA.

If a club’s disciplinary record is such that Oxfordshire FA feel that they should not play in any Competition, the OFA Governance Team shall have the power to refuse entry.

2. CUP COMPETITION DRAWS

2A. Oxfordshire FA shall be responsible for making the draw for each Competition, specifying the date when each round is to be played, and kick-off time in accordance with these Bye-Laws.

With the exception of the Senior Cup if a scheduled match is postponed for any reason then the match will be played on the following Saturday/Sunday, except when matches are played in midweek under lights. Subject to weather conditions, postponed midweek matches will be played before the next Round starts and the OFA will decide the new date.

2B. Oxfordshire FA can, at its discretion, allow teams to be seeded and determine at what stage they will enter the Competition. The seeded teams will be identified and published prior to the Competition commencing. Teams playing in Step 4 and above of the FA National League System will be considered for seeding as appropriate. If necessary to ensure there are sufficient seeds, teams competing at Step 5 shall be considered based on their league position from the previous season.

2C. The County may order any two Clubs to play on a certain date, if not otherwise engaged in a match in a competition with a higher precedence.

2D. Except in respect of the Senior Cup and John Fathers Junior Shield Semi-Finals and with the exception of each final all matches will be played at the ground of the first-named team (if deemed suitable by Oxfordshire FA). All finals, including the Senior Cup and John Fathers Junior Shield, will be played at grounds determined by the Oxfordshire FA. If any game is left unfinished owing to a late start, the replay will be on the ground of the Club not in fault on the following Saturday, Sunday in the case of the Sam Waters Cup and/or Youth Cups, or mid-week in case of the Patrick O’Flanagan Memorial Veterans Cup unless Oxfordshire FA otherwise directs. The defaulting club will be responsible for all expenses.

2E. The semi-finals of the Senior Cup and the John Fathers Junior Shield may be played on neutral grounds as determined by Oxfordshire FA.

2F. For the Senior Cup, if the first drawn club has floodlights, then they may play their fixture mid-week. From the quarter final stage onwards matches shall be played midweek under floodlights. Should the first drawn club not have floodlights then they will have the opportunity to find an alternative suitable ground or failing that play on their opponents ground if they have floodlights.

KICK-OFF

3A. The official kick off time for all adult competitions will be 1.30pm with the exception of:

- Sam Waters Sunday Cup: 10:30am
- All Girl's Cups: 10:30am
- Patrick O'Flanagan Memorial Veterans Cup: 7:45pm

Clubs drawn at Home who have floodlighting which meets the standard requirement for the League in which they participate will be permitted to stage a 3.00 p.m. kick-off or be permitted to arrange a mid-week match only with the agreement of their opponents and the OFA. Where played mid-week, these games shall kick-off no later than 7.45pm.

Kick off times can only be changed if an agreement has been reached between both teams and the appointed match official and then with this in place approved by Oxfordshire FA.

3B. Any Club not ready to kick-off at the official time in any Competition game may be liable to a fine as laid down in the Schedule of Charges.

DURATION OF GAMES

4. The duration of all games shall be not less than 35 minutes each way unless FA Regulations dictate otherwise due to age restrictions. The half-time interval shall not exceed 15 minutes, it may only be altered with the consent of the match referee.

If the scores are level at full-time there will be NO extra-time and the game will be decided by penalty kicks.

PATRICK O'FLANAGAN VETERANS CUP ONLY:

In all rounds, the duration of the veteran games shall not be more than 40, nor less than 30 minutes, each way. If after this time the scores are level, then the game shall be decided by penalty kicks.

CONFIRMATION OF FIXTURES

5. Home clubs must confirm the fixture with the visiting club and match officials, stating venue, site of dressing rooms and time of kick-off. This must be done at least three days prior to the game being played. Failure to comply with this Bye-Law shall be liable to a fine laid down in the Schedule of Charges.

5A. In exception to the above, arrangements for the Semi-Finals of the Senior Cup and John Fathers Junior Shield as well as all Finals will be handled by Oxfordshire FA.

8. A player is defined as a "Senior" if after 1st November in the current season they have taken part in five Senior Competition Matches or any other Competition deemed by Oxfordshire FA to be of Senior standing.

A Senior Player may only make one application for reinstatement per season. The application must be in writing, either on paper or e-mail, and be sent to Oxfordshire FA. It should contain the details of the clubs involved, a list of fixtures played and reasons for application.

Senior/Intermediate status is only applicable to non-Sunday football, therefore allowing any non-contract player to play on a Sunday irrespective if their other club is Senior or Intermediate status.

All player shirts must be clearly numbered in accordance with the match result card submitted

to Oxfordshire FA and there must be no change of numbers during the match.

In the event of the colours of two clubs being similar, the Home Team will change colours. In any match on neutral ground the first named team must change.

Failure to carry out this instruction will result in a fine as per the Schedule of Charges being imposed.

Intermediate Cup, John Fathers Junior Shield, Sam Waters Sunday Cup, Charity Cup, Women's Cup, Veterans Cup, Youth & Girls Cups - 5 from 5 interchangeable substitutes (A player who has been substituted themselves becomes a substitute and may replace another player at any time subject to the substitution being carried out in accordance with Law 3 of the Laws of Association Football).

TECHNICAL AREA

11. No more than 8 people are permitted to occupy the Technical Area (if available). These occupants must be notified to the Referee before the start of the game along with the role they are fulfilling. Only one person at a time is authorised to

convey tactical instructions and they must return to their position immediately after giving these instructions.

(Also see Bye-Law 12.A)

11B. The first drawn club is responsible for payment of ground expenses unless played on a neutral ground where both clubs are equally responsible or it is the Semi-Final of the Senior Cup or Junior Shield or the Final where it is the responsibility of Oxfordshire FA.

11C. All clubs entering the Senior Cup MUST ensure that during any match in the Competition the Field of Play is roped off to prevent encroachment by spectators. The rope must be highly visible to both players and spectators. In the Youth Cup Competitions, the use of 'FA Respect' / designated spectator area barriers is encouraged.

11D. If a match is played then it will count as a Competition game. (It must be completed to be recognized for any player suspension(s)).

11E. Football Turf pitches (3G) are allowed in this Competition providing they meet the required performance standards and have an in-date listing on the FA's 3G Register to ensure quality and comply with player and club insurance requirements.

If the postponement is deemed valid by Oxfordshire FA then the match will be played on the following Sat/Sun, except when matches are played in Midweek under lights. If the postponement is deemed invalid the team or teams causing that postponement may be subject to sanction as determined by the County FA.

ABANDONED MATCHES

13. If a match is abandoned owing to causes over which neither Club has control, it shall be played at the same ground on the next Saturday, Sunday or midweek at some other date determined by Oxfordshire FA.

The OFA shall review all other abandoned matches and in cases where it is to the advantage of the

Competition and does no injustice to either of the two clubs, shall be empowered to order the score at the time of the abandonment to be recorded as the result.

In all cases where Oxfordshire FA are satisfied that a match has been abandoned owing to the conduct of one team or their Club members, they shall be empowered to award the match to their opponents and take what other action they deem necessary.

In cases where a match is abandoned owing to the conduct of both teams of their Club members, Oxfordshire FA shall take such action as they consider appropriate which may include removing both teams from the Competition.

REFEREES, ASSISTANT REFEREES AND CLUB ASSISTANT REFEREES

14A. Referees and Assistant Referees for all Oxfordshire FA Competitions will be appointed by the Referees Appointment Secretary or the Referees Committee.

This is to be received within 4 days of the match. Failure to complete the online result card correctly will result in a fine as laid down in the Schedule of Charges. Every protest must be made in writing and contain full particulars of the grounds upon which it is founded. The protest shall be sent to Oxfordshire FA together with the fee of £35 within five (5) days (Sundays not included) of the match or decision to which it relates. The fee may be forfeited to the Association in the event of the protest or claim not being sustained.

The Association may order any Club engaged in a dispute or protest to pay such a sum as may be considered necessary towards defraying the expenses of the meeting incurred when deciding same.

Any protest relating to the ground, the marking out of same, goalposts, bars, or any other particulars of the game shall not be entertained by the Association unless an objection has been lodged with the referee before the commencement of the game. The referee may require the responsible

Club to remove the cause of the objection, if this is possible, without unduly delaying the progress of the game. Any objection so made to the referee shall also be notified at once to Oxfordshire FA together with the protest fee.

Any protest for a late start must be made to the referee or the official in charge of the game before the commencement of the game. If the game is left unfinished owing to a late start, the replay shall be on the ground of the Club not at fault.

Oxfordshire FA will be responsible for ensuring adequate insurance cover on all County FA trophies at all times. Each trophy will be returned to Oxfordshire FA after photographs have been taken at the end of each Final.

If a Trophy is damaged in any way during the retention period the winning club shall be responsible for the subsequent cost of repair. This can be arranged by the club or, after the return of the Trophy by the Oxfordshire FA, in which case the club will be invoiced.
