# COUNTY CUP FINALS 2023

Last season we had a couple of occasions where pyrotechnics, flares and smoke devices were brought to games.

It is important to highlight that these items are not only illegal inside a football stadium, but these prohibited items can also cause great harm to people.

If this happens again we will look to get pictures of those involved which will be passed to the police for prosecution and if identified will be barred from football in any form in the County.

These pyrotechnics and flares can burn at up to 2,000°C and can cause significant injuries to carriers and fellow spectators.

There have been a number of reported incidents that have resulted in people experiencing breathing difficulties, distress and discomfort. The potential injuries sustained as a result of someone using a pyrotechnic include:

- Serious injuries, such as loss of limb or fingers
- Severe burns, due to temperatures of up to 2,000°C
- Breathing problems, due to smoke inhalation
- Loss of hearing or sight, because of the explosive power

# WELCOME

Welcome to the Oxfordshire FA Joe Roughton U18 Youth Cup Final and a special welcome to the supporters of both teams. After a season of traditional British weather – snow and rain – football seems to be back to normal and being enjoyed everywhere by many.

Joe Roughton, from Chipping Norton, held posts of President, Life Vice-President, Chairman, Vice Chairman and Divisional Representative.

The U18 Youth Cup was first contested in the 1936/37 season and won by Quarry Nomads. In the second season Oxford City Casuals were victorious with City, in various guises, going on to lift the trophy a record 17 times including the past two seasons. City's latest win was a 4-0 triumph over Kidlington U16's in April last year.

Mansfield Road Juniors are looking for their first ever U18 Youth Cup winner's title.

Our congratulations go to both Mansfield Road Juniors and Oxford City for reaching this stage of the Competition and a special thanks to the respective club and team officials for supporting their teams across the whole season. We also congratulate today's match officials on their appointments.

We would like to thank Oxford City FC and all those involved at Raw Charging Stadium for supporting us to ensure everyone has a safe, enjoyable and memorable County Cup Final experience.

Yours in sport

Chief Executive

Stuart Reeve

By the late 2000s the need for a junior section of Mansfield Road was becoming ever more evident, in 2009 the club was formed with the first cohort of under 5s. During the subsequent years the club grew exponentially, currently having fifteen boys and girls teams. This growth of teams has led to over 150 children currently playing for the club. A big thank you should go to all present and past members.

Through the years the club has had little silverware to show for its efforts and growth. However, this year sees the club having two teams making county cup finals, boys U18s and girls U16, and the U15s boys in the semi final. Last year saw this cohort, then u17s boys, win both the league and cup in fine style. This season they are currently unbeaten in all competitions and hope to finish their youth footballing with more silverware.
