RESPECT

COUNTY CUP FINALS 2023

Last season we had a couple of occasions where pyrotechnics, flares and smoke devices were brought to games.

It is important to highlight that these items are not only illegal inside a football stadium, but these prohibited items can also cause great harm to people.

If this happens again we will look to get pictures of those involved which will be passed to the police for prosecution and if identified will be barred from football in any form in the County.

These pyrotechnics and flares can burn at up to 2,000°C and can cause significant injuries to carriers and fellow spectators.

There have been a number of reported incidents that have resulted in people experiencing breathing difficulties, distress and discomfort. The potential injuries sustained as a result of someone using a pyrotechnic include:

- Serious injuries, such as loss of limb or fingers
- Severe burns, due to temperatures of up to 2,000°C
- Breathing problems, due to smoke inhalation
- Loss of hearing or sight, because of the explosive power

WELCOME

Welcome to the Oxfordshire FA Charity Cup Final and a special welcome to the supporters of both teams.

After a season of traditional British weather – snow and rain – football seems to be back to normal and being enjoyed everywhere by many.

The Charity Cup was first contested in the 1902/03 season where Oxford City Reserves took the inaugural title. They went on to win the competition a further record seven times with their last success coming in 1956. The current holders of the trophy are Yarnton who overcame Hailey 7-2 last season.

Looking at today's finalists, Garsington will be hoping to add to their history, last winning the competition 14 years ago, by adding a fourth title to their

previous 1988, 1993 and 2009 wins. Launton Sports are looking for their first ever Charity Cup winner's title.

Our congratulations go to both Garsington and Launton Sports for reaching this stage of the Competition and a special thanks to the respective club and team officials for supporting their teams across the whole season. We also congratulate today's match officials on their appointments.

We would like to thank Oxford City FC and all those involved at Raw Charging Stadium for supporting us to ensure everyone has a safe, enjoyable and memorable County Cup Final experience.
