RESPECT

COUNTY CUP FINALS 2023

Last season we had a couple of occasions where pyrotechnics, flares and smoke devices were brought to games.

It is important to highlight that these items are not only illegal inside a football stadium, but these prohibited items can also cause great harm to people.

If this happens again we will look to get pictures of those involved which will be passed to the police for prosecution and if identified will be barred from football in any form in the County.

These pyrotechnics and flares can burn at up to 2,000°C and can cause significant injuries to carriers and fellow spectators.

There have been a number of reported incidents that have resulted in people experiencing breathing difficulties, distress and discomfort. The potential injuries sustained as a result of someone using a pyrotechnic include:

- Serious injuries, such as loss of limb or fingers
- Severe burns, due to temperatures of up to 2,000°C
- Breathing problems, due to smoke inhalation
- Loss of hearing or sight, because of the explosive power

WELCOME

Welcome to the Oxfordshire FA U14 Girls Cup Final and a special welcome to the supporters of both teams. After a season of traditional British weather – snow and rain – football seems to be back to normal and being enjoyed everywhere by many.

The U14 Girls Cup was first contested in the 2009/10 season and won by Banbury United Ladies and Girls. Oxford City hold the record for the most wins in the competition's 14 year history with four of which the last came in 2017.

Summertown Stars Ladies Scorpions are the current holders following their extra time 3-2 victory over Witney Vikings Wasps in April last year.

Looking at today's finalists Charlbury will be looking for a repeat of Charlbury Town Youth's victory in the 2018 final whereas

Thame United will be hoping to lift the trophy for the first time.

Our congratulations go to both Charlbury Town Youth West Oxfordshire and Thame United for reaching this stage of the Competition and a special thanks to the respective club and team officials for supporting their teams across the whole season. We also congratulate today's match officials on their appointments.

We would like to thank Oxford City FC and all those involved at Raw Charging Stadium for supporting us to ensure everyone has a safe, enjoyable and memorable County Cup Final experience.

Yours in sport
