RESPECT

COUNTY CUP FINALS 2023

Last season we had a couple of occasions where pyrotechnics, flares and smoke devices were brought to games.

It is important to highlight that these items are not only illegal inside a football stadium, but these prohibited items can also cause great harm to people.

If this happens again we will look to get pictures of those involved which will be passed to the police for prosecution and if identified will be barred from football in any form in the County.

These pyrotechnics and flares can burn at up to 2,000°C and can cause significant injuries to carriers and fellow spectators.

There have been a number of reported incidents that have resulted in people experiencing breathing difficulties, distress and discomfort. The potential injuries sustained as a result of someone using a pyrotechnic include:

- Serious injuries, such as loss of limb or fingers
- Severe burns, due to temperatures of up to 2,000°C
- Breathing problems, due to smoke inhalation
- Loss of hearing or sight, because of the explosive power

WELCOME

Welcome to the Oxfordshire FA U16 Youth Cup Final and a special welcome to the supporters of both teams. After a season of traditional British weather – snow and rain – football seems to be back to normal and being enjoyed everywhere by many.

The U16 Youth Cup was first contested in the 1996/97 season and won by Quarry Rovers who went on to lift the trophy again the following season. Quarry were victorious for the third time in 2011 and hold the joint record for the most victories with Oxford City who won the title three times in four years between 2014 and 2017.

The current holders of the cup are Chalgrove Cavaliers who overcame Bullingdon Youth Warriors 4-0 in April last year. Today, Charlbury Town Youth are looking for their first ever U16 Youth Cup winner's title.

Our congratulations go to both Charlbury Town Youth and Oxford City for reaching this stage of the Competition and a special thanks to the respective club and team officials for supporting their teams across the whole season. We also congratulate today's match officials on their appointments.

We would like to thank Oxford City FC and all those involved at Raw Charging Stadium for supporting us to ensure everyone has a safe, enjoyable and memorable County Cup Final experience.

Yours in sport

COACH:

James Ball

The club provides football for local boys and girls with league sides entered from u7s up to the u16s this season, predominantly in the Witney and District Youth League.

Our u16 side has been together for a long time, with both coaches starting them off training as U5s, and the squad still has four players in it from that very first session.

After sustained success in the WDYFL, the team took on a new challenge at U15 by moving to the OYFL 'A' league last season, and have enjoyed the step up.

Semi finalists last year, all involved are very proud to represent the club in the County Cup final in 2023.
