

RAF FA Welcomes New Sponsor- DXC

1Air Cdre Rich Pratley, Chairman RAFFA welcomes Paul O'Shaughnessy, AE UK Defence at DXC Technology as a new sponsor for the RAF FA.

The RAF FA would like to welcome DXC Technology to the team as our newest sponsors.

Wg Cdr Damion Weir, Director of Sponsorship, RAF FA said *'This is an exciting period for the RAF FA and this partnership offers both parties excellent opportunity for the next 3 years. DXC Technology will be sponsoring both the Men's Senior Representative Team and the U23 and they look forward to working closely with the management and the players to ensure the success of our Representative Teams in future competitions.'*

Paul O'Shaughnessy, AE UK Defence at DXC Technology said about the sponsorship deal *'At DXC Technology we strive to build strong relationships with our communities, in line with our core values of 'community' and 'care'. We recognise that involvement in sport improves physical and mental well-being, as well as fostering teamwork, leadership and confidence – skills that equip serving personnel for life in, and after, duty. DXC has been a partner of the UK MOD for over 20 years and we are very proud to extend this to the support of RAF Sports. We look forward to helping the RAF Representative team and the U23s deliver excellence over this season, and beyond.'*
