

New Clubs

Interested in creating a club for the new season?

Before starting up a new club, you should ask:

- Where is your club to be based?
- Is your club one with junior or adult teams?
- Do you have enough players?
- Who will form your club committee?
- Have you got a playing kit and equipment?
- Where are you going to play your fixtures?
- Which league do you intend to compete in?

If you have considered all the above, your next step is to complete the new club form below

A County FA staff member will be in touch by phone following your submission, to offer support as well as confirming all the submitted details ahead of creating the club for you.

Once your form is submitted, we also recommend taking a look at our [Club Development Page](#) and as a minimum look at the following areas:
