

Affiliation Fees 2022/23

Club affiliation for the 2022/23 season is slightly different to previous seasons, with affiliation costs now determined by teams rather than clubs.

Team Fee

The cost to affiliate a team to the Sheffield & Hallamshire County FA is:

- £25 per junior team
- £35 per adult team

Insurance

To complete your affiliation, clubs are **required** to provide proof of Public Liability Insurance and Personal Accident Insurance. This can be purchased through our chosen partner for insurance, Bluefin Sport, who have frozen the price of their Public Liability Insurance for another season.

If you opt to purchase Public Liability Insurance from a different provider, please note that a minimum indemnity cover of £10 million is required.

Public Liability Insurance (REQUIRED)

Our chosen partner for insurance, Bluefin Sport, has frozen the price of their Public Liability Insurance for another season. Public Liability Insurance provides protection against any claims made by third parties against you, e.g. claims for slips and trips or damage to third party property as a result of your negligence.

Clubs can purchase two types of Public Liability Insurance:

- **County Cover £30**
- **County Cover Plus £60**

Personal Accident Insurance (REQUIRED)

Personal accident insurance cover is also available through Bluefin Sport. This provides protection for someone who is injured in an accident whilst participating in a club activity. This policy could provide either a lump sum benefit or weekly amount (dependent on the cover selected).

County Cup Entrance/Exemption Fee

County Cup entry is mandatory for the 2022-23 season for all adult teams and U13 and U16 youth teams.

The cost to enter a County Cup competition is £35.

Please note that if you do not affiliate your club/team by the closing date of any cup competition, you will not be entered but you will still be required to pay a fee equivalent to the entry fee (£35).

Benevolent Fund

The benevolent fund provides financial assistance to players and match officials injured during football. The objective of The Benevolent Fund is to assist players of Clubs affiliated to the Sheffield & Hallamshire County FA and in membership of the fund, and players of Representative League and County Teams, who may be injured whilst playing football in a recognised match. It also assists affiliated Referees who sustain injuries whilst officiating at sanctioned football matches.

To qualify to apply for the benevolent fund, a **voluntary payment of £10** is required when affiliating. This will provide you with cover for the upcoming season.

The amount of grant awarded is determined by the nature of the accident and circumstances of the applicant. Grants may be made as a lump sum or in instalments.
