INTRODUCTION

On behalf of everybody at the Sheffield & Hallamshire County FA, may I welcome you all to Doncaster Rovers FC's Eco-Power Stadium for our 2021/22 county cup finals.

May I also extend a warm welcome to the players, club officials, match officials and volunteers of both teams. Days like today make it all worthwhile and we hope it's a memorable occasion for all.

The last couple of seasons have been a real challenge for everyone, not only in football terms, so it's with a great sense of relief and pride that we are able to complete our cup competitions in a 'normal' way.

I would like to put on record our thanks to all clubs for their co-operation with our county cup competitions.

As a County FA, we are well aware of how important county cups are to everyone involved in grassroots football across our region, and we are working tirelessly behind the scenes to constantly improve our prestigious cup competitions.

Thank you to Doncaster Rovers FC for providing us with a fitting venue to host our county cup finals.

Finally, thank you for your support today. I hope you enjoy the game and will observe The FA Respect campaign.

They have seven adult teams and four junior teams.

The club have been very successful in South Yorkshire over the last five years, winning all the various league titles at some stage with various teams! The club is growing all the time and has over 100 members ranging from 5 to 63 years old.

MANAGER STEFAN DUBEJ

After a hard season for our Amber team, blighted by injures and covid, we are pleased to have reached the final of the Sheffield & Hallamshire 7v7 Disability Cup. It won't be an easy game against the 7 aside Premier League Champions, Sheffield FC Reds, but we will give it our best shot and hopefully prevail.

SQUAD LIST:

John Bigmore

Has been with the club since it was formed and has been the top goalkeeper for the last 5 years.

Henry Waudby

Henry moved up from the under-16s team a couple of years ago. He is now a regular for the Ambers.

James Williams

James is a no-nonsense defender, who has played for the club since it was formed. He's the veteran of the team.

McKenzie Finbow

McKenzie has also moved up from our Under 16s team. Although he started as a goalkeeper, he now plays in midfield.

George Dubej

Another under-16s player who moved up to the Ambers, George's goals have been vital in getting the Ambers to this final.

Jordan Pounder

Jordan also moved up from the Under-16s to play for the Ambers, a tricky winger who can score goals on his day!

Edward Ratcliffe

Eddie has moved up from the Clarets team, he also plays on the wing and can score important goals for the team too.

Stuart Thirkhill

Stuart can play in defence or midfield, another player who has moved up from the Clarets team to help out the Ambers this season.

SHEFFIELD FC ADULT DISABILITY REDS

League: South Yorkshire Ability Counts - 7 a side

Cup final kit colours:

Red tops, Black shorts and black socks

CLUB HISTORY

Sheffield FC Disability was formed in 2015. We started out with a small number of children seven years ago and have grown organically to over 60 juniors and adults.

Our players have a range of conditions but they all thoroughly enjoy playing football, and we love supporting them develop as players and as people. As an all-inclusive football club, our aim is to further develop and enable more children and adults with special needs to play football.

We feel a large proportion of our registered players have benefitted from playing regular football - physically, mentally and socially.

MANAGER PETER DUXBURY

We are over the moon to have reached the 7v7 Disability Cup Final. We have changed the squad around from last season and it naturally took time for the players to play well together. We have had a great season by winning the league and divisional cup and are looking to secure an unprecedented treble for the Sheffield FC Disability Adults. It won't be easy playing a Bradford side that pushed us hard the last time we played, and with any cup final I am hoping for that bit of luck you sometimes need to win the game.

Midfielder – great addition to the team. He brings a calmness to the team and works hard to link up with our forward players.

Taighler Bennett Jones

Winger – plays with style, pace and skill. Creates chances and is a dangerous threat to any team we have faced.

Jordan Jackson

Winger – has added lots of pace to the team. Has got good balance and has scored great goals from distance.
