# INTRODUCTION

## Mike Drummond

*Competitions Officer*

[Mike.Drummond@sheffieldfa.com](mailto:Mike.Drummond@sheffieldfa.com)

On behalf of everybody at the Sheffield & Hallamshire County FA, may I welcome you all to Doncaster Rovers FC's Eco-Power Stadium for the final of the Sheffield and Hallamshire County FA Saturday Senior Cup.

May I also extend a warm welcome to the players, club officials, match officials and volunteers of both teams. Days like today make it all worthwhile and we hope it's a memorable occasion for all.

The last couple of seasons have been a real challenge for everyone, not only in football terms, so it's with a great sense of relief and pride that we are able to complete our cup competitions in a 'normal' way.

I would like to put on record our thanks to all clubs for their co-operation with our county cup competitions.

As a County FA, we are well aware of how important county cups are to everyone involved in grassroots football across our region, and we are working tirelessly behind the scenes to constantly improve our prestigious cup competitions.

Thank you to Doncaster Rovers FC for providing us with a fitting venue to host our county cup finals.

Finally, thank you for your support tonight. I hope you enjoy the game and will observe The FA Respect campaign.

# MATCH PREVIEW

After a two-year absence due to the coronavirus pandemic, the final of the fourth oldest surviving cup competition in the world returns tonight.

The Sheffield & Hallamshire Senior Cup is regarded as one of the most prestigious football competitions in the county, with non-league teams from Step 7 and above from the English football league pyramid competing to win the 145-year-old competition.

Worksop Town are no strangers to the competition, making their 34th appearance in the final since 1900. The Tigers had to overcome a resilient Rossington Main side to win 2-1 in the semi-finals. Ten years on from their last Senior Cup final victory, Worksop Town will be looking to make it their lucky 13<sup>th</sup> final win; just one behind the competition's most successful clubs, Frickley Athletic and Sheffield Wednesday (both with 14 wins).

Malty Main are looking forward to their first Senior Cup final appearance in more than 40 years after a 3-2 semi-final victory over local rivals Parkgate at Muglet Lane. The Miners are hoping to emulate the Maltby team of 1978, who beat Mexborough Town Athletic 2-1 at Doncaster Rovers' former Belle Vue ground to record their first and only Senior Cup final victory.

Since its formation in 1876, the Senior Cup finals have been played at various professional and amateur grounds within the Sheffield and Hallamshire region. But this is the first time the final will be held at Doncaster Rovers' Eco-Power Stadium since the £20m facility was opened in 2007.
