

HEAVY LIFTING

Lifting heavy items could be hazardous. Consider whether it's practical for volunteers to remove them, or whether they would be best removed by the local council.

DANGEROUS ITEMS

If dangerous, poisonous or hazardous items are present, contact the Environment Agency on **0800 80 70 60**.

If syringes are spotted at any stage during your clean-up, do not attempt to move them yourself. Make a note of their location and inform your local council.

If you see someone fly tipping or come across hazardous waste, report it to the Environment Agency on its 24-hour hotline or, alternatively, contact the police.
