Some dates are provisional, based on the lunar calendar and/or sighting of the moon. The FA recognise that in the case of most of the faiths concerned there are various ways of spelling the same word. This is because of the range of languages (and alphabets) of the original terms. Some dates may also vary and the date of local celebrations may differ. We therefore recommend anyone using this calendar to arrange fixtures and events only after consultation with local representatives of the faith communities concerned. In this calendar we have only highlighted the six largest faiths in England by population and recognise there will be other faiths not mentioned.

\*All these festivals are observed for two days. All Jewish Festivals start the night before.

# GUIDANCE TO GRASSROOTS FOOTBALL AROUND FIXTURES AND RELIGIOUS OBSERVANCE

## THE FOOTBALL ASSOCIATION

As part of The Football Association's commitment to providing equal opportunities for all to participate in football, Rule B5 was amended at the 2005 AGM in order to include all religions.

## RULE B5 FOOTBALL & RELIGIOUS OBSERVANCE

- (a) A Participant cannot be compelled to play football on bona fide occasions where religious observance precludes such activity, save where the Participant:
- (i) has consented to do so on such occasions;
- or**
- (ii) is registered as a player under written contract, which shall be taken as consent to play on such occasions unless otherwise provided for in the contract.
- (b) Annually, when planning programmes, Competitions shall define and notify agreed dates of such occasions.

## GUIDANCE

In order to support you with your planning this guidance has been written to provide you with the most significant dates for religious observance together with some information on them. It is not intended that you avoid all these dates, and the list is by no means exhaustive, but you are advised to consult with your clubs and communities as to the most relevant dates to consider for your locality as this will vary considerably.

A calendar of these dates will be provided by The FA annually. You should note that some religions work on a lunar calendar (10/11 months) rather than the Gregorian (12 months) which means dates will vary from year to year. In addition some dates can only be confirmed by the sighting of the moon so are sometimes expressed as two or three dates and confirmed nearer the time of the festival. Some dates also have alternative spellings.

## EXPLANATION OF KEY RELIGIOUS OBSERVANCES

### Al-Hijra/Muharram

Islamic New Year and the first of the month of Muharram, where Muslims celebrate the Prophet Muhammad's migration from Mecca to Medina. For Shi'as the first ten days are a period of mourning culminating in Ashura Day, commemorating the martyrdom of Imam Husayn.

### Birthday of Guru Nanak

Birthday of founder of Sikhism. This is one of the holiest of the Sikhs which is celebrated over a three day period.

### Buddha Day

Birthday of the founder of the Sikh faith. This is one of the holiest Sikh festivals which is celebrated over a three day period. 2019 is the 550th birth anniversary.

### Chinese New Year

The most important day in the traditional Chinese calendar and marks the beginning of the first Lunar month.

### Christmas

Celebrates the birth of Jesus who Christians believe to be the Son of God. Christians focus on the incarnation of God becoming a man in this major festival.

### Diwali (or Divali) – (Hindu/Sikh)

Festival of Lights. Celebration of good over evil. Victory of Lord Rama over demon Ravana and end of over 14 years of exile of Lord Rama. Prayers are said for Goddess Laxmi for prosperity at the beginning of financial year. For Sikhs this has a special significance because the sixth Guru was released from prison on Diwali. Sikhs also call this festival 'Bandi Chhor Divas'.

### Easter Sunday

Christians celebrate the resurrection of Jesus from the dead.

### Eid-al-Adha

This Muslim festival marks Day Three of Hajj (pilgrimage to Mecca) and also commemorates the Prophet Abraham's willingness to sacrifice his own son Ishmael.

### Eid-al-Fitr

This day marks the end of the month of fasting for Muslims (Ramadan). The day is marked with prayers and festivity and presents for children.

### Good Friday

This day commemorates the crucifixion of Jesus.

### Hindu New Year

Often thought of as more important than Diwali, many Hindus celebrate this in the spring but some on the day following Diwali.

### Holi

Spring Festival of Colours for Hindus which symbolises the triumph of good over evil. The event celebrates the death of the evil demoness Holika who was consumed by fire while her nephew Prahlad, who was a devotee of Vishnu, survived. These days the event is signified by burning large bonfires, dancing and spraying coloured powder and water on each other.

### Lent

A period of preparation including prayer, fasting and reflection lasting six weeks up to Easter Sunday.

### Navaratri

Nine days of dance (Garba) and celebration when the Goddess Durga is worshipped by Hindus.

## Sukkot

Jewish harvest festival commemorating the forty years spent in the wilderness on the way to Israel. Sukkot 2019 runs from 13-20 October but the religious restrictions on working, carrying, driving only apply from sunset 13 to sunset 15 October.
